Duos Technologies Group Announces Names Change from Information Systems Associates

Provides Links to Recent News

JACKSONVILLE, FL -- (Marketwired) -- 08/06/15 -- Duos Technologies Group (OTCQB: DUOT), a provider of intelligent security analytical technology solutions, has changed its name and symbol from Information Systems Associates and "IOSA" and today provides links to recent press releases and SEC filings. Duos Technologies Group recently successfully up-listed to the OTCQB Marketplace. Duos Technologies Group's main operating subsidiary, Duos Technologies, Inc., is a provider of intelligent security analytical technology solutions. Duos' core competencies include advanced intelligent technologies that are delivered through its proprietary integrated enterprise command and control platform, centraco™. The Company provides a broad range of technology solutions with an emphasis on mission critical security, inspection and operations within the rail, utilities, petrochemical, healthcare, and hospitality sectors.

The Company's common stock has been assigned a new CUSIP number of 266042100, in connection with the name change. Outstanding stock certificates will not be affected by the name change and will not need to be exchanged. All stock trading, filings and market-related information will be reported under the new corporate name and trading symbol.

Gianni Arcaini, Chairman and CEO of Duos Technologies Group, stated, "This name and symbol change is the final step in our recently closed merger. Duos Technologies has grown to be a leader in analytical technology solutions and this change will enable us to capitalize on our strong brand and ensure continued name recognition among our global client base. We look forward to continuing to share our business progress and strategy for growth with our shareholders and the Wall Street community."
