PROXY STATEMENT

**ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON _____, 2023**

**GENERAL INFORMATION ABOUT THE PROXY
STATEMENT AND ANNUAL MEETING**

General

This Proxy Statement is being furnished to the shareholders of Duos Technologies Group, Inc. (together with its subsidiaries, the “Company”, “Duos”, “we”, “us” or “our”) in connection with the solicitation of proxies by our Board of Directors (the “Board of Directors” or the “Board”) for use at the Annual Meeting of Shareholders to be held on _____, 2023 at 11:00 A.M., Eastern Time, in person at the Company’s headquarters at 7660 Centurion Boulevard, Suite 100, Jacksonville, Florida 32256, and at any and all adjournments or postponements thereof (the “Annual Meeting”), for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Accompanying this Proxy Statement is a proxy/voting instruction form (the “Proxy”) for the Annual Meeting, which you may use to indicate your vote as to the proposals described in this Proxy Statement.

This Proxy Statement and the accompanying form of proxy will be distributed to shareholders, and will be available for viewing, downloading and printing by shareholders at _____, on or about _____, 2023. Our Annual Report on Form 10-K for the year ended December 31, 2022 (which does not form a part of the proxy solicitation material) is being distributed and made available concurrently to shareholders.

The Company will solicit proxies from the Company’s shareholders by the Internet or mail through its regular employees and will request banks and brokers and other custodians, nominees and fiduciaries to solicit proxies from their customers who have stock of the Company registered in the names of such persons and will reimburse them for reasonable, out-of-pocket costs. In addition, the Company may use the service of its officers and directors to solicit proxies, personally or by telephone, without additional compensation.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND OUR ANNUAL MEETING

Why am I being provided with these proxy materials?

You have received these proxy materials because the Board is soliciting your proxy to vote your shares at the Annual Meeting. This Proxy Statement includes information that we are required to provide to you under Securities and Exchange Commission (“SEC”) rules and is designed to assist you in voting your shares. Pursuant to the “notice and access” rules adopted by the SEC, we have elected to provide shareholders access to our proxy materials over the Internet. Accordingly, on or about _____, 2023, we sent the Notice of Internet Availability of Proxy Materials to all of our shareholders as of the close of business on _____, 2023 (the “Record Date”). The Notice of Internet Availability of Proxy Materials includes instructions on how to access our proxy materials over the Internet and how to request a printed copy of these materials. In addition, by following the instructions in the Notice of Internet Availability of Proxy Materials, shareholders may request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis.

What is included in these materials?

These materials include:

- this Proxy Statement for the Annual Meeting;
- a proxy card for the Annual Meeting; and
- our Annual Report on Form 10-K for the year ended December 31, 2022.

Who is entitled to vote?

Only holders of our Common Stock, par value \$0.001 (the “Common Stock”) or Series D Convertible Preferred Stock, par value \$0.001 per share (the “Series D Preferred Stock”), as of the close of business on the Record Date will be entitled to vote at the Annual Meeting.

For a period of at least ten days prior to the Annual Meeting, a complete list of shareholders entitled to vote at the Annual Meeting will be available at the principal executive offices of the Company located at 7660 Centurion Parkway, Suite 100, Jacksonville, Florida 32256 so that shareholders of record may inspect the list only for proper purposes.

Why is this year's Annual Meeting being held at the Company's headquarters and not as a virtual meeting?

The Board of Directors believes that although the virtual meeting format was used previously due to considerations related to the Covid-19 pandemic, we have traditionally held an in-person meeting at our offices and that now is the appropriate time to return to that format. The Board of Directors reserves the right to hold future meetings either virtually or in person as circumstances dictate.

How many shares of stock can vote?

As of the Record Date, there were (i) _____ shares of Common Stock issued and outstanding and entitled to vote representing approximately _____ holders of record and (ii) _____ shares of Series D Preferred Stock issued and outstanding and entitled to vote with the Common Stock, representing _____ holders of record, up to the beneficial ownership limitation described in the Series D Preferred Certificate of Designation.

Each holder of shares of Common Stock is entitled to one vote for each share of stock held on the proposals presented in this Proxy Statement. Each holder of Series D Preferred Stock is entitled to 333 votes for each share, up to the applicable beneficial ownership limitation, which is 4.99% or prior to the issuance of any shares of Series D Preferred Stock, 19.99% at the election of the holder. The Company’s Bylaws, as amended, provide that at least a majority of the outstanding shares of stock entitled to vote, whether present in person or represented by proxy, shall constitute a quorum for the transaction of business at the Annual Meeting. The accompanying proxy card reflects the number of shares that you are entitled to vote. Shares of Common Stock or Series D Preferred Stock may not be voted cumulatively.

What may I vote on?

You may vote on the following matters:

1. the election of four directors to hold office for a one-year term and until each of their successors is elected and qualified;
2. the issuance of shares of Common Stock upon conversion of the shares of Series D Preferred Stock;

3. the ESPP;
4. the modification of the previously-approved 2021 Equity Incentive Plan;
5. the ratification of the appointment of Salberg & Company, P.A. as our independent certified public accounting firm for the fiscal year ending December 31, 2023;
6. the adjournment of the Annual Meeting, if necessary, if a quorum is present, to solicit additional proxies if there are not sufficient votes in favor of one or more of the above proposals; and
7. the transaction of such other business as may properly come before the Annual Meeting or any postponement or adjournment thereof.

What if other matters come up at the Annual Meeting?

At the date of this Proxy Statement, management knows of no business that will be presented at the Annual Meeting other than Proposals 1 through 7. If other matters are properly presented at the Annual Meeting or any adjournment or postponement thereof for consideration, and you are a shareholder of record and have submitted a proxy card, the persons named in your proxy card will have the discretion to vote on those matters for you.

How does the Board recommend that I vote on each of the proposals?

The Board recommends a vote “FOR” each of the director nominees, and “FOR” the approval of each of the other proposals.

How do I vote my shares?

The answer depends on whether you own your shares directly (that is, you hold shares that show your name as the registered shareholder) or if your shares are held in a brokerage account or by another nominee holder:

If you own shares of the Company directly (i.e., you are a “registered shareholder”): your proxy is being solicited directly by us, and you can vote by the Internet, by telephone, or by mail or you can vote at our Annual Meeting. You are encouraged to vote prior to the Annual Meeting to ensure that your shares will be represented.

If you wish to vote by the Internet, before the meeting, go to www.ProxyVote.com. Have your proxy card in hand when you access the website and follow the instructions to obtain your records and to create an electronic voting instruction form.

If you wish to vote by telephone, call 1-800-690-6903. Use any touch-tone telephone to transmit your voting instructions. Have your proxy card in hand when you call and follow the instructions.

If you wish to vote by mail, mark, sign and date your proxy card and return it in the postage-paid envelope we have provided or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

If you sign your proxy card but do not indicate how you wish to vote, the proxies will vote your shares “FOR” each of the director nominees, “FOR” the approval of each of the other proposals and, in their discretion, on any other matter that properly comes before the Annual Meeting. Unsigned proxy cards will not be counted.

If you wish to vote at the Annual Meeting, you will be able to vote your shares at the Annual Meeting, even if you had previously delivered a proxy.

If you hold your shares of the Company through a broker, bank or other nominee, you will need to direct your broker, bank or other nominee how to vote by following their instructions for voting. Please refer to information from your broker, bank or other nominee on how to submit your voting instructions.

If you hold your shares beneficially through a bank, broker or other nominee, you must provide a legal proxy from your bank, broker or other nominee during registration in order to vote your shares during the Annual Meeting. If you are unable to obtain a legal proxy to vote your shares, you will still be able to attend the Annual Meeting (but will not be able to vote your shares) so long as you demonstrate proof of stock ownership.

What is a proxy?

A proxy is a person you appoint to vote on your behalf. By using any of the methods discussed above, you will be appointing as your proxy Charles P. Ferry, our Chief Executive Officer. He may act on your behalf and will have the authority to appoint a substitute to act as proxy. Whether or not you expect to attend the Annual Meeting, we request that you please use the means available to you to vote by proxy so as to ensure that your shares of Common Stock and Series D Preferred Stock may be voted.

What is the effect if I fail to give voting instructions to my broker, bank or other nominee?

If your shares are held by a broker, bank or other nominee, you must provide your broker, bank or other nominee with instructions on how to vote your shares in order for your shares to be counted. If you hold your shares in one of these ways, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares. If you hold your shares in street name, your broker, bank or other nominee has enclosed a voting instruction card for you to use in directing your broker, bank or other nominee in how to vote your shares. We encourage you to provide voting instructions to your broker, bank or other nominee.

Brokers, banks or other nominees that are member firms of the Nasdaq Capital Market and who hold shares in street name for customers have the discretion to vote those shares with respect to certain matters if they have not received instructions from the beneficial owners. Brokers, banks or other nominees will have this discretionary authority with respect to routine matters such as the ratification of the appointment of our independent registered public accounting firm; however, they will not have this discretionary authority with respect to non-routine matters, including the election of directors. With respect to non-routine matters, if beneficial owners do not provide voting instructions, these are called “broker non-votes.”

In the event of a broker non-vote, such beneficial owners’ shares will be included in determining whether a quorum is present, but otherwise will not be counted. In addition, abstentions will be included in determining whether a quorum is present but otherwise will not be counted. Thus, a broker non-vote or an abstention will make a quorum more readily obtainable, but a broker non-vote or an abstention will not otherwise affect the outcome of a vote on a proposal that requires a plurality of the votes cast, and a broker non-vote will not otherwise affect the outcome of a vote on a proposal that requires a majority of the votes cast. An abstention with respect to a proposal that requires the affirmative vote of a majority of the shares present or represented by proxy and entitled to vote will, however, have the same effect as a vote against the proposal. See “What vote is required to approve each proposal?” below.

We encourage you to provide voting instructions to the organization that holds your shares.

What if I want to change my vote or revoke my proxy?

A registered shareholder may change his or her vote or revoke his or her proxy at any time before the Annual Meeting by (i) going to www.ProxyVote.com and logging in using your 16-digit control number provided on the Notice of Internet Availability of Proxy Materials, proxy card, or voting instruction form, (ii) attending and voting at the Annual Meeting, or (iii) submitting a later dated proxy card. We will count your vote in accordance with the last instructions we receive from you prior to the closing of the polls, whether your instructions are received by mail or at the Annual Meeting. If you hold your shares through a broker, bank or other nominee and wish to change your vote, you must follow the procedures required by your nominee.

What is a quorum?

The holders of 3,578,438 of the 7,156,875 shares of Common Stock and Series D Preferred Stock outstanding as of the Record Date, either present or represented by proxy, constitute a quorum. A quorum is necessary in order to conduct the Annual Meeting. If you choose to have your shares represented by proxy at the Annual Meeting, you will be considered part of the quorum. Broker non-votes and abstentions will be counted as present for the purpose of establishing a quorum. If a quorum is not present by attendance at the Annual Meeting or represented by proxy, the shareholders present by attendance at the meeting or by proxy may adjourn the Annual Meeting until a quorum is present. If an adjournment is for more than 30 days or a new record date is fixed for the adjourned meeting, we will provide notice of the adjourned meeting to each shareholder of record entitled to vote at the meeting.

What vote is required to approve each proposal?

Vote Required for Election of Directors (Proposal No. 1). Our Articles of Incorporation, as amended, do not authorize cumulative voting. Florida law provides that directors are to be elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. This means that the four candidates receiving the highest number of affirmative votes at the Annual Meeting will be elected as directors. Only shares that are voted in favor of a particular nominee will be counted toward that nominee's achievement of a plurality. Shares present at the Annual Meeting that are not voted for a particular nominee or shares present by proxy where the shareholder properly withheld authority to vote for such nominee will not be counted toward that nominee's achievement of a plurality.

Vote Required to Approve Proposals 2 through 7. Florida law and our Bylaws, as amended, provide that, on all matters (other than the election of directors and except to the extent otherwise required by our Articles of Incorporation, as amended, or applicable Florida law), the affirmative vote of a majority of the votes cast for or against a proposal shall be required for approval. Accordingly, the affirmative vote of a majority of the votes cast at the Annual Meeting, in person or by proxy, and voting on the matter, will be required to approve Proposals 2 through 7.

Do the directors and officers of the Company have an interest in the outcome of the matters to be voted on?

Our directors and officers will not receive any special benefit as a result of the outcome of the matters to be voted on, except that our directors will receive compensation for such service as described later in this Proxy Statement under the heading "Director Compensation." Officers, as employees of the Corporation may participate in the ESPP but not Directors.

How many shares do the directors and executive officers of the Company beneficially own, and how do they plan to vote their shares?

Directors and executive officers, who, as of the Record Date, had beneficial ownership (or had the right to acquire beneficial ownership within 60 days following the Record Date) of approximately 4.33% of our outstanding voting stock, are expected to vote, or direct the voting of their shares, in favor of the election of the four director nominees set forth in this Proxy Statement and in favor of the other proposals.

Who will count the votes?

A representative of Broadridge Financial Solutions will count the votes cast at the Annual Meeting and by proxy and will serve as the inspector of election.

Who can attend the Annual Meeting?

All shareholders as of the Record Date are invited to attend the Annual Meeting.

Are there any expenses associated with collecting the shareholder votes?

We will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and other materials to our shareholders. Officers and other employees of the Company may solicit proxies in person or by telephone but will receive no special compensation for doing so.

Where can you find the voting results?

Voting results will be reported in a Current Report on Form 8-K, which we will file with the SEC within four business days following the Annual Meeting.

Who is our independent registered public accounting firm, and will they be represented at the Annual Meeting?

Salberg & Company, P.A. served as our independent registered public accounting firm for the fiscal year ended December 31, 2022 and audited our financial statements for such fiscal year. Salberg & Company, P.A. has been selected by our Audit Committee to serve in the same role and to provide the same services for the fiscal year ending December 31, 2023. We expect that one or more representatives of Salberg & Company, P.A. will be present at the Annual Meeting. They will have an opportunity to make a statement, if they desire, and will be available to answer appropriate questions at the end of the Annual Meeting.

Why are you being asked to ratify the selection of Salberg & Company, P.A.?

Although shareholder approval of our Audit Committee's selection of Salberg & Company, P.A. as our independent registered public accounting firm is not required, we believe that it is advisable to give shareholders an opportunity to ratify this selection. If this proposal is not approved at the Annual Meeting, the Audit Committee has agreed to reconsider its selection of Salberg & Company, P.A., but will not be required to take any action.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of March 1, 2023, information regarding beneficial ownership of our capital stock by:

- each person, or group of affiliated persons, known to us to own of record or beneficially five percent or more of our Common Stock,
- each of our named executive officers,
- each of our directors, and
- all of our executive officers and directors as a group.

Beneficial ownership is determined according to the rules of the SEC and generally means that a person has beneficial ownership of a security if such person possesses sole or shared voting or investment power of that security, including convertible securities, warrants and options that are convertible or exercisable within 60 days of the applicable date. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons named in the table below have sole voting and investment power with respect to all shares of our Common Stock shown that they beneficially own, subject to community property laws where applicable.

The table below lists applicable percentage ownership based on _____ shares of our Common Stock outstanding as of March 1, 2023. In computing the number of shares of our Common Stock beneficially owned by a person and the percentage ownership of that person, we deemed outstanding shares of our Common Stock subject to preferred stock, options, warrants, rights or other conversion privileges held by that person that are exercisable or convertible as of, or that are exercisable or convertible within 60 days after, March 1, 2023. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person.

This table below is based upon information supplied by officers, directors and shareholders known by us to be beneficial owners of more than five percent of our common stock as well as Schedules 13G or 13D and Section 16 reports filed with the SEC. We have not independently verified such information.

Unless otherwise indicated, the address of each beneficial owner listed in the table below is c/o Duos Technologies Group, Inc., at 7660 Centurion Parkway, Suite 100, Jacksonville, Florida 32256.

Required Vote

Our Articles of Incorporation, as amended, do not authorize cumulative voting. Florida law provides that directors are to be elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. This means that the four candidates receiving the highest number of affirmative votes at the Annual Meeting will be elected as directors. Only shares that are voted in favor of a particular nominee will be counted toward that nominee's achievement of a plurality. Shares present at the Annual Meeting that are not voted for a particular nominee or shares present by proxy where the shareholder properly withheld authority to vote for such nominee will not be counted toward that nominee's achievement of a plurality.

At the Annual Meeting a vote will be taken on a proposal to approve the election of the four director nominees.

RECOMMENDATION OF THE BOARD OF DIRECTORS:

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF (I) CHARLES P. FERRY, (II) KENNETH EHRMAN, (III) NED MAVROMMATIS, AND (IV) JAMES CRAIG NIXON AS DIRECTORS.

CORPORATE GOVERNANCE

Board of Directors

The Board oversees our business affairs and monitors the performance of our management. In accordance with our corporate governance principles, the Board does not involve itself in day-to-day operations. The directors keep themselves informed through discussions with the Chief Executive Officer and other key executives, by reading the reports and other materials sent to them and by participating in Board and committee meetings. Our directors hold office until the next annual meeting of shareholders and until their successors are elected and qualified or until their earlier death, resignation or removal, or if for some other reason they are unable to serve in the capacity of director.

Board Composition and Director Independence

Our board of directors currently consists of four members: Mr. Charles P. Ferry, Mr. Kenneth Ehrman, Mr. Ned Mavrommatis and Mr. James Craig Nixon. The directors will serve until the election of the nominees for director at the Annual Meeting and until their successors are duly elected and qualified. The Company defines “independent” as that term is defined in Rule 5605(a)(2) of the NASDAQ listing standards.

In making the determination of whether a member of the board is independent, our Board considers, among other things, transactions and relationships between each director and his immediate family and the Company, including those reported under the caption “Related Party Transactions”. The purpose of this review is to determine whether any such relationships or transactions are material and, therefore, inconsistent with a determination that the directors are independent. Based on such review and its understanding of such relationships and transactions, our Board affirmatively determined that each of Messrs. Ehrman, Nixon, and Mavrommatis is qualified as independent and does not have any material relationship with us that might interfere with his exercise of independent judgment.

Board Meetings and Attendance

The Board held seven in person/virtual meetings in 2022. All Board actions, not taken at a meeting, were taken via a unanimous written consent as permitted by Florida law.

Shareholder Communications with the Board

Shareholders wishing to communicate with the Board, the non-management directors, or an individual Board member may do so by writing to the Board, to the non-management directors, or to the particular Board member, and mailing the correspondence to: c/o Kenneth Ehrman, 7660 Centurion Parkway, Suite 100, Jacksonville, Florida 32256. The envelope should indicate that it contains a shareholder communication. All such shareholder communications will be forwarded to the director or directors to whom the communications are addressed.

Executive Compensation

The compensation provided to our Named Executive Officers for 2022 and 2021 is set forth in detail in the Summary Compensation Table and other tables and the accompanying footnotes and narrative that follow this section. This section explains our executive compensation philosophy, objectives and design, our compensation-setting process, our executive compensation program components and the decisions made for compensation for each of our Named Executive Officers.

Compensation-Setting Process/Role of Our Compensation Committee

The Compensation Committee has responsibility for the Company's compensation practices with appropriate approval and general oversight from the Board. This responsibility includes the determination of compensation levels and awards provided to the Named Executive Officers. The Compensation Committee provides a recommendation for the performance review and any compensation adjustments to the Board for approval. Grants of equity-based compensation are approved by the Compensation Committee in accordance with the Company's stock incentive and award plan established by the Compensation Committee.

Base Salary

We provide base salary as a fixed source of compensation for our executive officers, allowing them a degree of certainty as well as having a meaningful portion of their compensation "at risk" in the form of equity awards covering the shares of a company for whose shares there has been limited liquidity to date. The Board recognizes the importance of base salaries as an element of compensation that helps to attract highly qualified executive talent.

Base salaries for our executive officers were established primarily based on individual negotiations with the executive officers when they joined us and reflect the scope of their anticipated responsibilities, the individual experience they bring, the Board members' experiences and knowledge in compensating similarly situated individuals at other companies, our then-current cash constraints and a general sense of internal pay equity among our executive officers and key personnel.

The Compensation Committee does not apply specific formulas in determining base salary increases. Actual base salaries may differ from the competitive market rates target as a result of various other factors including relative depth of experience, prior individual performance and expected future contributions, internal pay equity considerations within our Company and the degree of difficulty in replacing the individual.

He received a further grant in January 2022 in the amount of 100,000 non-qualified options with a term of five years and a strike price of \$6.41. The options have a three-year vesting period. The Ferry Employment Agreement can be terminated with or without cause at any time during the Initial Term or during an Additional Term. As a full-time employee of the Company, Mr. Ferry is eligible to participate in all of the Company’s benefit programs.

Potential Payments upon Change of Control or Termination following a Change of Control and Severance

The Ferry Employment Agreement contains certain provisions for early termination, which may result in a severance payment equal to up to six months of base salary then in effect. Generally, we do not provide any severance specifically upon a change in control, nor do we provide for accelerated vesting upon a change in control.

Adrian G. Goldfarb

On April 1, 2018, the Company entered into an employment agreement (the “Goldfarb Employment Agreement”) with Adrian G. Goldfarb, pursuant to which Mr. Goldfarb served as Chief Financial Officer of the Company through November 15, 2022 and subsequently, assumed a new role as Strategic Advisor to the CEO. During 2021, Mr. Goldfarb was paid an annual salary of \$207,750 and an annual car allowance of \$2,500 which has subsequently been cancelled. In 2022, Mr. Goldfarb’s annual salary was increased to \$220,000 and he was paid a bonus of \$50,000. The Goldfarb Employment Agreement had an initial term through March 31, 2019, subject to renewal for successive one-year terms unless either party gives the other notice of that party’s election to not renew at least 60 days prior to the expiration of the then-current term. The Goldfarb Employment Agreement remains in effect through March 31, 2023. The Goldfarb Employment Agreement was approved by the Compensation Committee and it is anticipated that Mr. Goldfarb’s compensation terms will be revisited in the future by the Compensation Committee.

Potential Payments upon Change of Control or Termination following a Change of Control and Severance

The Goldfarb Employment Agreement contains certain provisions for early termination, which may result in a severance payment equal to one year of base salary then in effect. Generally, we do not provide any severance specifically upon a change in control, nor do we provide for accelerated vesting upon change in control.

Connie L. Weeks

On April 1, 2018, the Company entered into an employment agreement (the “Weeks Employment Agreement”) with Connie L. Weeks, pursuant to which Ms. Weeks served as Chief Accounting Officer of the Company. During 2022, Ms. Weeks was paid an annual salary of \$152,260 as well as a \$20,000 performance bonus and \$14,770 in compensation for unused paid time off. The Weeks Employment Agreement had an initial term that extended through March 31, 2019, subject to renewal for successive one-year terms unless either party gives notice of that party’s election to not renew to the other party at least 60 days prior to the expiration of the then-current term. Ms. Weeks gave notice to the Company that she would be retiring effective December 31, 2022. As a consequence, the Weeks Employment Agreement terminated effective December 31, 2022. The Weeks Employment Agreement was approved by the Compensation Committee.

Potential Payments upon Change of Control or Termination following a Change of Control and Severance

The Weeks Employment Agreement contained certain provisions for early termination, which may have resulted in a severance payment equal to two years of base salary then in effect. This provision is no longer in effect and Ms. Weeks will not receive any further compensation following her retirement.

Transactions with Related Persons

On August 1, 2012, the Company entered into an independent contractor master services agreement (the “Services Agreement”) with Luceon, LLC, a Florida limited liability company, owned by David Ponevac, our former Chief Technology Officer. The Services Agreement provided that Luceon would provide support services including management, coordination or software development services and related services to duos. In January 2019, additional services were contracted with Luceon for TrueVue360™ primarily for software development through the provision of seven additional full-time contractors located in Slovakia at a cost of \$16,250 for January 2019 initially, rising to \$25,583 after fully staffed, per month starting February 2019. This was in addition to the existing contract of \$7,480 per month for the Company for four full-time contractors which increased to \$8,231 per month in June 2019. During 2020, Luceon reduced its staff for the TrueVue360 software development team from seven to three full-time employees at a cost of \$11,666 per month starting June 1, 2020. As of January 1, 2021, the Company no longer records activities in TrueVue360 and has combined billings for a total of \$20,986 per month. For the years ended December 31, 2021, 2020 and 2019, the total amount paid to Luceon was \$93,422, \$335,334 and \$392,680, respectively. The Company had no accounts payable with Luceon at December 31, 2021. On May 14, 2021, the Company formally ended its relationship with Luceon in connection with the resignation of Mr. Ponevac and as such he is no longer a related person of the Company.

PROPOSAL NO. 2

SECURITIES ISSUANCE PROPOSAL

On September 30, 2022 and October 29, 2022, the Company entered into Securities Purchase Agreements (the “Purchase Agreements”) with the investors named therein (the “Purchasers”). Pursuant to the Purchase Agreements, the Company issued in a private placement shares of Common Stock and shares of its newly-authorized Series D Preferred Stock. The Company received aggregate proceeds of \$_____ from the offerings. Copies of the Purchase Agreements are filed as Exhibit 10.1 to each of our Current Reports on Form 8-K filed with the SEC on October 3, 2022 and November 3, 2022.

Why We Are Seeking Shareholder Approval

The issuance of shares of Common Stock upon the conversion of the Series D Preferred Stock is being submitted to the shareholders to comply with the Rules of the National Association of Securities Dealers, Inc. (“NASD”) applicable to entities, such as the Company, which have securities authorized for trading on The Nasdaq Capital Market (“Nasdaq”).

Nasdaq Marketplace Rule 5635(d) limits the number of shares (or securities, such as the Series D Preferred Stock, that are convertible into shares) that can be issued in a transaction other than a public offering without shareholder approval. The rule requires approval of our shareholders in order to issue shares of Common Stock which equal 20% or more of our Common Stock outstanding before the issuance at a price less than the lower of the price immediately preceding the signing of the purchase agreement or the average of the prices for the five trading days immediately preceding such signing (the “20% Rule”). In its offering pursuant to the Purchase Agreements, the Company was offering up to an aggregate of \$5,000,000 of Common Stock and Series D Preferred Stock (of which no more than \$3,735,400 were to be shares of Common Stock). The upper limit of shares of Common Stock issuable under the Purchase Agreements was determined by the Company as a number equal to less than 20% of our Common Stock outstanding immediately prior to the signing of the initial Purchase Agreement. Because the Company was not sure at the commencement of the offering how many shares of Common Stock or Series D Preferred Stock would be issued in the offerings, and that a number of shares of Common Stock close to the 20% limitation could potentially be issued, the Company determined that the terms of the Series D Preferred Stock would provide that none of the shares could be converted into Common Stock until shareholder approval had been obtained.

The approval sought under this Proposal No. 2 will be effective to satisfy the shareholder approval required by the terms of the Series D Preferred Stock. The minimum vote which will constitute shareholder approval of this Proposal No. 2 is a majority of the total votes cast on Proposal No. 2 in person or by proxy at the Annual Meeting.

Summary of Terms of the Series D Preferred Stock

The principal terms of the Series D Preferred Stock are summarized below. The form of the Certificate of Designation for the Series D Preferred Stock is attached as Exhibit A to this Proxy Statement. You should read Exhibit A in its entirety and the following summary is qualified by reference to Exhibit A.

General. The Company’s Board of Directors designated 4,000 shares as the Series D Preferred Stock. Each share of the Series D Preferred Stock has a stated value of \$1,000.

Voting Rights. The holders of the Series D Preferred Stock, the holders of the Common Stock and the holders of any other class or series of shares entitled to vote with the Common Stock shall vote together as one class on all matters submitted to a vote of shareholders of the Company. Each share of Series D Preferred Stock has 333 votes (subject to adjustment) determined by dividing the stated value of such share (\$1,000) by the conversion price (\$3.00); provided that in no event may a holder of Series D Preferred Stock be entitled to vote a number of shares in excess of such holder’s Beneficial Ownership Limitation (as defined in the Certificate of Designation and as described below).

Dividends. There is no separate dividend payable on the Series D Preferred Stock but holders of Series D Preferred Stock shall be entitled to receive dividends on shares of Series D Preferred Stock equal (on an as-if-converted to Common Stock basis, without giving effect to the Beneficial Ownership Limitation) to and in the same form as dividends actually paid on shares of Common Stock.

Conversion. Each share of Series D Preferred Stock is convertible, subject to receipt of the shareholder approval, at any time and from time to time, at the option of the holder, into that number of shares of Common Stock (subject to the Beneficial Ownership Limitation) determined by dividing the stated value of such share (\$1,000) by the conversion price, which is \$3.00 (subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions).

Beneficial Ownership Limitation. The Company shall not effect any conversion of the Series D Preferred Stock, and a holder shall not have the right to convert any portion of the Series D Preferred Stock, to the extent that after giving effect to the conversion sought by the holder, such holder (together with such holder's Attribution Parties (as defined in the Certificate of Designation)) would beneficially own more than 4.99% (or upon election by a holder, 19.99%) of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon such conversion. All of the Purchasers elected to have the 19.99% Beneficial Ownership Limitation be applicable to their shares of Series D Preferred Stock.

Issuance Restrictions. Notwithstanding anything to the contrary in the Certificate of Designation, until the Company has obtained shareholder approval, the Company may not issue any shares of Common Stock upon the conversion of shares of Series D Preferred Stock.

Liquidation Preference. Upon any liquidation, dissolution or winding up of the Company, whether voluntary or involuntary, the holders of Series D Preferred Stock shall be entitled to participate on an as-converted-to-Common Stock basis (without giving effect to the Beneficial Ownership Limitation) with holders of the Common Stock in any distribution of assets of the Company to holders of the Common Stock.

Impact of the Issuance of Common Stock on Existing Shareholders

Shareholder approval of this Proposal No. 2 would have the following effects:

Increased Dilution. The number of shares of our issued and outstanding Common Stock could be significantly increased if Proposal No. 2 is approved. Currently, no shares of Common Stock may be issued upon the conversion of any shares of Series D Preferred Stock. If this Proposal No. 2 is approved by the shareholders, that limitation would no longer be in effect and shares of Series D Preferred Stock could potentially be converted into 1,333,333 shares of Common Stock, assuming all 4,000 authorized shares of Series D Preferred Stock are issued. Currently, only 1,299 shares of Series D Preferred Stock are issued, pursuant to which 433,000 shares of Common Stock could be issued upon conversion if the shareholder approval is received.

Increased Number of Shares Available for Public Sale May Depress Market Price. Similarly, upon conversion of the Series D Preferred Stock there would be a greater number of shares of our Common Stock eligible for sale in the public markets. Any such sales, or the anticipation of the possibility of such sales, represents an overhang on the market and could depress the market price of our Common Stock.

Potential Issuances of Shares of Common Stock May Discourage Strategic Transactions and Future Financings. The potential future increased issuance of shares of Common Stock under the Series D Preferred Stock may make it more difficult, or discourage an attempt, to obtain control of our Company by means of a merger, tender offer, proxy contest, or otherwise, and may make future financings more difficult.

Impact if Proposal No. 2 is Not Approved

Under the Purchase Agreements, the Company is required to hold a shareholders' meeting and to use our best efforts to obtain approval of Proposal No. 2. If Proposal No. 2 is not approved at the Annual Meeting, we will be required to call a meeting every four months to seek approval until the approval is received.

Dissenters' Rights

Under Florida law, shareholders are not entitled to dissenters' rights with respect to the transactions contemplated by this Proposal No. 2.

Vote Required

Under the Company's bylaws, if a quorum is present, the affirmative vote of a majority of the votes represented by the holders of our Common Stock and Series D Preferred Stock, voting together as a class and voting at the Annual Meeting will be required for approval of Proposal No. 2.

RECOMMENDATION OF THE BOARD OF DIRECTORS:

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" PROPOSAL NO. 2.

PROPOSAL NO. 3

APPROVAL OF THE DUOS TECHNOLOGIES GROUP, INC. EMPLOYEE STOCK PURCHASE PLAN

On November 9, 2022, the Board and Compensation Committee adopted, subject to the receipt of shareholder approval, the Employee Stock Purchase Plan (the “ESPP”) providing for the issuance of up to 1,000,000 shares of our Common Stock. The purpose of the ESPP is to provide employees of the Company and its Participating Subsidiaries (as defined in the ESPP) with an opportunity to acquire a proprietary interest in the Company through the purchase of shares of Common Stock. The Company intends that the ESPP qualify as an “employee stock purchase plan” under Section 423 of the Internal Revenue Code of 1986, as amended (the “Code”), and the ESPP shall be interpreted in a manner that is consistent with that intent. The ESPP is being offered to assist the Company in attracting and retaining key employees and to provide incentives to such individuals to align their interests with those of our shareholders.

At the Annual Meeting, you will be asked to approve the adoption of the ESPP in the form attached hereto as Exhibit B. A total of 1,000,000 shares of Common Stock has been reserved for issuance under the ESPP. The ESPP will only become effective upon our receipt of shareholder approval of this Proposal No. 3.

General Description of the ESPP

The following is a summary of the principal features of the ESPP and its operation. This summary does not contain all of the terms and conditions of the ESPP and is qualified in its entirety by reference to the ESPP as set forth in Exhibit B attached hereto.

Purpose

The purpose of the ESPP is to provide eligible employees with an opportunity to purchase shares of Common Stock through accumulated contributions, which generally will be made through payroll deductions. The ESPP permits the administrator (as discussed below) to grant purchase rights that qualify for preferential tax treatment under Section 423 of the Code. In addition, the ESPP authorizes the grant of purchase rights that do not qualify under Code Section 423 pursuant to rules, procedures or sub-plans adopted by the administrator that are designed to achieve desired tax or other objectives.

Shares Available for Issuance

If shareholders approve the ESPP, and subject to adjustment upon certain changes in our capitalization as described in the ESPP, the maximum number of shares of Common Stock that will be available for issuance under the ESPP will be 1,000,000 shares. The shares may be authorized, but unissued, or reacquired Common Stock. We currently are unable to determine how long this share reserve may last because the number of shares that will be issued in any year or offering period depends on a variety of factors that cannot be predicted with certainty, including, for example, the number of employees who elect to participate in the ESPP, the level of contributions made by participants and the future price of shares of Common Stock.

If the shareholders do not approve the ESPP, then the ESPP will not become effective and no shares of Common Stock will be available for issuance thereunder.

Administration

The ESPP will be administered by the Board or a committee appointed by the Board that is constituted to comply with applicable laws (including the Compensation Committee). We expect the Compensation Committee to be the administrator of the ESPP. Subject to the terms of the ESPP, the administrator will have full and exclusive discretionary authority to construe, interpret and apply the terms of the ESPP, to delegate ministerial duties to any of our employees, to designate separate offerings under the ESPP, to designate subsidiaries and affiliates as participating in the Section 423 Component and the Non-Section 423 Component, to determine eligibility, to adjudicate all disputed claims filed under the ESPP and to establish such procedures that it deems necessary or advisable for the administration of the ESPP. The administrator is authorized to adopt rules and procedures in order to: determine eligibility to participate, determine the definition of compensation for the purposes of contributions to the ESPP, handle contributions to the ESPP, coordinate the making of contributions to the ESPP, establish bank or trust accounts to hold contributions to the ESPP, effect the payment of interest, effect the conversion of local currency, satisfy obligations to pay payroll tax, determine beneficiary designation requirements, implement and determine withholding procedures and determine procedures for the handling of stock certificates that vary with applicable local requirements. The administrator will also be authorized to determine that, to the extent permitted by applicable law, the terms of a purchase right granted under the ESPP or an offering to citizens or residents of a non-U.S. jurisdiction will be less favorable than the terms of options granted under the ESPP or the same offering to employees residing solely in the United States. Every finding, decision and determination made by the administrator will, to the full extent permitted by law, be final and binding upon all parties.

Eligibility

Generally, all of our employees will be eligible to participate if they are customarily employed by us, or any participating subsidiary or affiliate, for at least 20 hours per week and more than five months in any calendar year. Currently, approximately 80 of our employees, including two executive officers, one of whom also is a director will be generally eligible under the ESPP. The administrator, in its discretion, may, prior to an enrollment date, for all options to be granted on such enrollment date in an offering, determine that an employee who (i) has not completed at least two years of service (or a lesser period of time determined by the administrator) since his or her last hire date, (ii) customarily works not more than 20 hours per week (or a lesser period of time determined by the administrator), (iii) customarily works not more than five months per calendar year (or a lesser period of time determined by the administrator), (iv) is a highly compensated employee within the meaning of Section 414(q) of the Code, or (v) is a highly compensated employee within the meaning of Section 414(q) of the Code with compensation above a certain level or is an officer or subject to disclosure requirements under Section 16(a) of the Exchange Act, is or is not eligible to participate in such offering period.

However, an employee may not be granted rights to purchase shares of Common Stock under the ESPP if such employee:

- immediately after the grant would own capital stock and/or hold outstanding options to purchase such stock possessing 5% or more of the total combined voting power or value of all series of capital stock of ours or of any parent or subsidiary of ours; or
- holds rights to purchase shares of Common Stock under all employee stock purchase plans of ours or any parent or subsidiary of ours that accrue at a rate that exceeds \$25,000 worth of shares of Common Stock for each calendar year in which such rights are outstanding at any time.

Offering Periods

The ESPP will include a component that allows us to make offerings intended to qualify under Section 423 of the Code and a component that allows us to make offerings not intended to qualify under Section 423 of the Code to designated companies, as described in the ESPP. Offering periods will begin and end on such dates as may be determined by the administrator in its discretion, in each case on a uniform and nondiscriminatory basis, and may contain one or more purchase periods. The administrator may change the duration of offering periods (including commencement dates) with respect to future offerings so long as such change is announced prior to the scheduled beginning of the first offering period affected. No offering period may last more than 27 months.

Contributions

The ESPP will permit participants to purchase shares of Common Stock through contributions (in the form of payroll deductions or otherwise to the extent permitted by the administrator) of up to 15% of their eligible compensation, or such other limit established by the administrator from time to time in its discretion and on a uniform and nondiscretionary basis for all options to be granted on an enrollment date in an offering, which includes a participant's base straight time gross earnings but excludes payments for commissions, incentive compensation, bonuses, payments for overtime and shift premium, equity compensation income and other similar compensation. Unless otherwise determined by the administrator, during any offering period, a participant may not increase the rate of his or her contributions and may only decrease the rate of his or her contributions (including to 0%) one time.

Exercise of Purchase Right

Amounts contributed and accumulated by the participant will be used to purchase shares of Common Stock at the end of each purchase period. A participant may purchase a maximum number of shares of Common Stock during a purchase period as determined by the administrator in its discretion and on a uniform and nondiscriminatory basis. The purchase price of the shares will be determined by the administrator from time to time, in its discretion and on a uniform and nondiscriminatory basis for all options to be granted on an enrollment date, provided that in no event may the purchase price be less than 85% of the lower of the fair market value of Common Stock on the first trading day of the offering period or on the exercise date, which is generally the last trading day of a purchase period. Participants may end their participation at any time during an offering period and will be paid their accrued contributions that have not yet been used to purchase shares of Common Stock. Participation in the ESPP ends automatically upon termination of employment with us.

Termination of Participation

Participation in the ESPP generally will terminate when a participating employee's employment with us or a designated company ceases for any reason, the employee withdraws from the ESPP or we terminate or amend the ESPP such that the employee no longer is eligible to participate. An employee may withdraw his or her participation in the ESPP at any time in accordance with procedures specified by the administrator prior to any applicable deadline. Upon withdrawal from the ESPP, in general, the employee will receive all amounts credited to his or her account without interest (unless otherwise required under applicable law) and his or her payroll withholdings or contributions under the ESPP will cease.

Non-Transferability

Neither contributions credited to a participant's account nor rights to purchase shares of Common Stock and any other rights and interests under the ESPP may be assigned, transferred, pledged or otherwise disposed of (other than by will, the laws of descent and distribution or beneficiary designation in the event of death). Any attempt at such prohibited disposition will be without effect, except that we may treat such act as an election to withdraw participation.

Certain Transactions

In the event that any dividend or other distribution (whether in the form of cash, Common Stock, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, reclassification, repurchase, or exchange of shares of Common Stock or our other securities, or other change in our corporate structure affecting the Common Stock occurs (other than any ordinary dividends or other ordinary distributions), the administrator, to the extent the administrator in its sole discretion deems necessary in order to prevent diminution or enlargement of the benefits or potential benefits intended to be made available under the ESPP in such manner it may deem equitable, will adjust the number of shares of Common Stock that may be delivered under the ESPP, the purchase price per share, the number of shares of Common Stock covered by each purchase right under the ESPP that has not yet been exercised, and the numerical limits of the ESPP.

In the event of our proposed dissolution or liquidation, any ongoing offering periods will be shortened and will terminate immediately before consummation of the proposed dissolution or liquidation following the purchase of shares of Common Stock under the shortened offering periods, unless provided otherwise by the administrator. Prior to the new exercise date, the administrator will notify participants regarding the new exercise date and the exercise to occur on such date.

In the event of a merger or “change in control” (as defined in the ESPP), except as otherwise determined by the administrator, each outstanding option under the ESPP will be assumed or substituted for by the successor corporation or its parent or subsidiary. In the event that options are not assumed or substituted for, the offering period will be shortened by setting a new exercise date on which the offering period will end, which will occur prior to the closing of the merger or change in control. Prior to the new exercise date, the administrator will notify participants regarding the new exercise date and the exercise to occur on such date.

Amendment; Termination

The administrator will have the authority to amend, suspend or terminate the ESPP. The ESPP automatically will terminate in 2033, unless we terminate it sooner. If the administrator determines that the ongoing operation of the ESPP may result in unfavorable financial accounting consequences, the administrator may modify, amend or terminate the ESPP to reduce or eliminate such accounting consequence. If the ESPP is terminated, the administrator in its discretion may terminate all outstanding offering periods either immediately or after consummation of the purchase of shares of Common Stock under the ESPP (which may be adjusted to occur sooner than originally scheduled), or in accordance with their terms. If options are terminated prior to their expiration, then all amounts credited to participants that have not been used to purchase shares of Common Stock will be returned, without interest (unless otherwise required under applicable law), as soon as administratively practicable.

Summary of U.S. Federal Income Tax Consequences

The following summary is intended only as a general guide to the material U.S. federal income tax consequences of participation in the ESPP. The summary is based on existing U.S. laws and regulations, and there can be no assurance that those laws and regulations will not change in the future. The summary does not purport to be complete and does not discuss the tax consequences upon a participant’s death, or the provisions of the income tax laws of any municipality, state or non-U.S. jurisdiction to which the participant may be subject. As a result, tax consequences for any particular participant may vary based on individual circumstances.

The ESPP is intended to qualify as an employee stock purchase plan within the meaning of Section 423 of the Code. Under an employee stock purchase plan that so qualifies, no taxable income will be recognized by a participant, and no deductions will be allowable to the Company, upon either the grant or the exercise of the purchase rights. Taxable income will not be recognized until there is a sale or other disposition of the shares of Common Stock acquired under the ESPP or in the event of the participant’s death while still owning the purchased shares of Common Stock.

If the participant sells or otherwise disposes of the purchased shares of Common Stock within two years after the start date of the offering period in which the shares of Common Stock were acquired or within one year after the actual purchase date of those shares of Common Stock, then the participant generally will recognize ordinary income in the year of sale or disposition equal to the amount by which the fair market value of the shares of Common Stock on the purchase date exceeded the purchase price paid for those shares of Common Stock, and we will be entitled to an income tax deduction equal in amount to such excess, for the taxable year in which such disposition occurs. The amount of this ordinary income will be added to the participant’s basis in the shares of Common Stock, and any resulting gain or loss recognized upon the sale or disposition will be a capital gain or loss. If the shares of Common Stock have been held for more than one year since the date of purchase, the gain or loss will be long-term.

If the participant sells or disposes of the purchased shares of Common Stock more than two years after the start date of the offering period in which the shares of Common Stock were acquired and more than one year after the actual purchase date of those shares of Common Stock, then the participant generally will recognize ordinary income in the year of sale or disposition equal to the lesser of (a) the amount by which the fair market value of the shares of Common Stock on the sale or disposition date exceeded the purchase price paid for those shares of Common Stock, or (b) 15% of the fair market value of the shares of Common Stock on the start date of that offering period. Any additional gain upon the disposition will be taxed as a long-term capital gain. Alternatively, if the fair market value of the shares of Common Stock on the date of the sale or disposition is less than the purchase price, there will be no ordinary income and any loss recognized will be a long-term capital loss. We will not be entitled to an income tax deduction with respect to such disposition.

In addition, a participant's annual "net investment income," as defined in Section 1411 of the Code, may be subject to a 3.8% U.S. federal surtax. Net investment income may include capital gain and/or loss arising from the disposition of shares of Common Stock purchased under the ESPP. Whether a participant's net investment income will be subject to this surtax will depend on the participant's level of annual income and other factors.

If the participant still owns the purchased shares of Common Stock at the time of death, the lesser of (i) the amount by which the fair market value of the shares of Common Stock on the date of death exceeds the purchase price or (ii) 15% of the fair market value of the shares of Common Stock on the start date of the offering period in which those shares of Common Stock were acquired will constitute ordinary income in the year of death.

Plan Benefits

Participation in the ESPP is voluntary and dependent on each eligible employee's election to participate, the amount of his or her eligible compensation, and his or her determination as to the portion of his or her eligible compensation to contribute to the ESPP. Further, the number of shares of Common Stock that may be purchased under the ESPP is determined, in part, by the price of our shares of Common Stock on the first day of each offering period and applicable exercise date of each purchase period. Accordingly, the actual number of shares of Common Stock that would be purchased by any individual under the ESPP in the future is not determinable. We have not previously sponsored an employee stock purchase plan, and, therefore, the number of shares of Common Stock which would have been received by or allocated to our named executive officers, all current executive officers as a group, and all other current employees who may participate in the ESPP as a group are not determinable. Non-employee directors are not eligible to participate in the ESPP.

Vote Required for Approval

Under the Company's bylaws, if a quorum is present, the affirmative vote of a majority of the votes represented by the holders of our Common Stock and Series D Preferred Stock, voting together as a class and voting at the Annual Meeting, will be required for approval of Proposal No. 3. Failure to vote by proxy or to vote online at the Annual Meeting or an abstention from voting will have the same effect as a vote "AGAINST" this proposal.

RECOMMENDATION OF THE BOARD OF DIRECTORS:

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE "FOR" PROPOSAL NO. 3

PROPOSAL NO. 4

TO APPROVE THE AMENDMENT OF THE 2021 EQUITY INCENTIVE PLAN TO MODIFY CERTAIN PROVISIONS RELATED TO HOLDER COMPENSATION IN THE EVENT OF A MERGER OR BUYOUT

Summary

The current 2021 Equity Incentive Plan (the “2021 Plan”) has been in place since late 2021 and was a replacement for the previous plan which was put in place in 2016. The 2021 Plan was approved by the shareholders and the form and substance was mostly unchanged from the previous plan. After consultation with senior management, the Board approved, based on the Compensation Committee’s consideration and recommendation, that certain language contained in the 2021 Plan with respect to the section covering “Adjustments Upon Certain Events”, was overly broad, complicated and unclear as to the treatment of securities in the event of a buyout of the Company or a merger where the Company ceased to be the continuing entity. Specifically, Section 14, Part (d) of the Plan titled “Adjustments Upon Certain Events” contains the following language:

“In the event that the successor corporation refuses to assume or substitute for the Stock Rights, the participants shall fully vest in and have the right to exercise their Stock Rights as to which it would not otherwise be vested or exercisable. If a Stock Right becomes fully vested and exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Board or Compensation Committee shall notify the participant in writing or electronically that the Stock Right shall be fully vested and exercisable for a period of at least 15 days from the date of such notice, and any Options or SARs shall terminate one minute prior to the closing of the merger or sale of assets. For the purposes of this Section 14(d), the Stock Right shall be considered “assumed” if, following the merger or Change of Control, the option or right confers the right to purchase or receive, for each share of Common Stock subject to the Stock Right immediately prior to the merger or Change of Control, the consideration (whether stock, cash, or other securities or property) received in the merger or Change of Control by holders of Common Stock for each share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the merger or Change of Control is not solely common stock of the successor corporation or its parent, the Board or Compensation Committee may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Stock Right, for each share of Common Stock subject to the Stock Right, to be solely common stock of the successor corporation or its parent equal in Fair Market Value to the per share consideration received by holders of Common Stock in the merger or Change of Control.”

The Company is proposing to substitute the following provision as follows:

“In the event of a merger of the Company with or into another corporation, or a Change of Control, the participants shall fully vest in and have the right to exercise their Stock Rights as to which it would not otherwise be vested or exercisable. If a Stock Right becomes fully vested and exercisable, the Board or Compensation Committee shall notify the participant in writing or electronically that the Stock Right shall be fully vested and exercisable for a period of at least 15 days from the date of such notice, and any Options or SARs shall terminate one minute prior to the closing of the merger or sale of assets. For the purposes of this Section 14(d), the Board or Compensation Committee will provide for the consideration to be received upon the exercise of the Stock Right, for each share of Common Stock subject to the Stock Right, at the discretion of the Holder, to be the cash equivalent of common stock of the successor corporation or its parent equal in Fair Market Value to the per share consideration received by holders of Common Stock in the merger or Change in Control. At their sole discretion, the Holder may elect to receive the consideration, if permitted, in the form of Common Stock or equivalent of the successor corporation.”

Vote Required and Recommendation

The Company is requesting shareholder approval for an amendment to the 2021 Plan to substitute the proposed clause in its entirety. There is no impact of this revised language to the Company upon its adoption. In the event of a significant transaction such as a merger, acquisition or buyout, the revised language provides a definitive statement on how outstanding equity awards are to be treated and this is believed to be beneficial should such a situation arise by the avoidance of conflict or misunderstanding that could be caused by the existing language and which potentially could cause a transaction to be delayed or even cancelled.

The Board is therefore recommending approval of this resolutions upon which the revised language will be substituted in the 2021 Plan and the plan will be thus considered amended. Upon approval the Company will also issue new Option Agreements to current holders covered under the 2021 Plan (which includes directors and executive officers).

RECOMMENDATION OF THE BOARD OF DIRECTORS:

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” PROPOSAL NO. 4.

PROPOSAL NO. 5

**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The Board has appointed Salberg & Company, P.A. (“Salberg”), as our independent registered public accounting firm to examine the consolidated financial statements of the Company for the fiscal year ending December 31, 2023. The Board seeks an indication from shareholders of their approval or disapproval of the appointment.

Salberg will audit our consolidated financial statements for the fiscal year ending December 31, 2023. We anticipate that a representative of Salberg will be present by telephone at the Annual Meeting, will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

Our consolidated financial statements for the fiscal year ended December 31, 2022 were audited by Salberg.

In the event shareholders fail to ratify the appointment of Salberg, the Board of Directors will reconsider this appointment. Even if the appointment is ratified, the Board of Directors, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Board of Directors determines that such a change would be in the interests of the Company and its shareholders.

The following table presents for each of the last two fiscal years the aggregate fees billed in connection with the audits of our financial statements and other professional services rendered by our independent registered public accounting firm Salberg & Company, P.A.

(4) *All Other Fees*. These are fees for products and services provided by the principal accountant, other than the services reported above.

Audit Committee Pre-Approval Policies and Procedures

The Company’s Audit Committee has adopted policies and procedures that shall require the pre-approval by the Audit Committee of all fees paid to, and all services performed by, the Company’s independent accounting firms. At the beginning of each year, the Audit Committee shall approve the proposed services, including the nature, type and scope of services contemplated and the related fees, to be rendered by these firms during the year. In addition, Audit Committee pre-approval is also required for those engagements that may arise during the course of the year that are outside the scope of the initial services and fees pre-approved by the Audit Committee.

The affirmative vote of a majority of the votes represented by the holders of our Common Stock and Series D Preferred Stock, voting together as a class, present, in person or by proxy, and voting at the Annual Meeting will be required for approval of this proposal. INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

PROPOSAL NO. 6

**ADJOURNMENT OF THE ANNUAL MEETING IF NECESSARY
TO PERMIT FURTHER SOLICITATION OF PROXIES**

Our shareholders are being asked to approve a proposal that will give us authority to adjourn the Annual Meeting, if necessary for the purpose of soliciting additional proxies in favor of the above proposals, if there are not sufficient votes at the time of the Annual Meeting to approve and adopt one or more of such proposals. If this adjournment proposal is approved, our board of directors could adjourn the Annual Meeting to any date it chooses. In addition, our board of directors could postpone the Annual Meeting before it commences, whether for the purpose of soliciting additional proxies or for other reasons. If the Annual Meeting is adjourned for the purpose of soliciting additional proxies, shareholders who have already submitted their proxies at any time before their use do not need to submit new proxies unless they desire to change their voting instructions. The Company does not intend to call a vote on this proposal if the other proposals have been approved at the Annual Meeting.

Approval of this Proposal No. 6 requires the affirmative vote of a majority of the votes represented by the holders of our Common Stock and Series D Preferred Stock, voting together as a class, present, in person or by proxy, and voting at the Annual Meeting. Abstentions and broker non-votes will have no effect on the outcome of this proposal. Unless instructions to the contrary are specified in a properly executed and returned proxy, the proxy holder will vote the proxies received by them "FOR" this Proposal No. 6.

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" PROPOSAL NO. 6.

Interest of Certain Persons in Opposition to Matters to be Acted Upon

No officer or director has any substantial interest in any of the proposals scheduled to be considered at the Annual Meeting other than in their roles as an officer or director. Officers as employees of the Company may participate in the ESPP but not Directors.

However, as long as any shares of Series D Preferred Stock are outstanding, the Corporation shall not, without the affirmative vote of the Holders of a majority of the then outstanding shares of the Series D Preferred Stock, (a) alter or change adversely the powers, preferences or rights given to the Series D Preferred Stock or alter or amend this Certificate of Designation, (b) amend its articles of incorporation or other charter documents in any manner that adversely affects any rights of the Holders, (c) increase the number of authorized shares of Series D Preferred Stock, or (d) enter into any agreement with respect to any of the foregoing.

Section 6. Conversion.

a) Conversions at Option of Holder. Each share of Series D Preferred Stock shall be convertible, at any time and from time to time from and after the Original Issue Date at the option of the Holder thereof, into that number of shares of Common Stock (subject to the limitations set forth in Section 6(d)) determined by dividing the Stated Value of such share of Series D Preferred Stock by the Conversion Price then in effect. Holders shall effect conversions by providing the Corporation with the form of conversion notice attached hereto as Annex A (a "Notice of Conversion"). Each Notice of Conversion shall specify the number of shares of Series D Preferred Stock to be converted, the number of shares of Series D Preferred Stock owned prior to the conversion at issue, the number of shares of Series D Preferred Stock owned subsequent to the conversion at issue and the date on which such conversion is to be effected, which date may not be prior to the date the applicable Holder delivers by e-mail such Notice of Conversion to the Corporation (such date, the "Conversion Date"). Upon delivery of the Notice of Conversion, the Holder shall be deemed for all corporate purposes to have become the holder of record of the Conversion Shares with respect to which the shares of Series D Preferred Stock have been converted irrespective of the date of delivery of the Conversion Shares. If no Conversion Date is specified in a Notice of Conversion, the Conversion Date shall be the date that such Notice of Conversion to the Corporation is deemed delivered hereunder. No ink original Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Conversion form be required. To effect conversion of shares of Series D Preferred Stock, a Holder shall not be required to surrender the certificate(s) representing such shares of Series D Preferred Stock to the Corporation unless and until all shares of Series D Preferred Stock represented thereby are so converted, in which case such Holder shall deliver such certificate(s) within five (5) Trading Days after delivery of the Notice of Conversion relating to the conversion of the last shares of Series D Preferred Stock. The calculations and entries set forth in the Notice of Conversion shall control in the absence of manifest or mathematical error. Shares of Series D Preferred Stock converted into Common Stock or redeemed in accordance with the terms hereof shall be canceled and shall not be reissued.

b) Conversion Price. The conversion price for the Series D Preferred Stock shall equal \$3.00, subject to adjustment herein (the "Conversion Price").

c) Mechanics of Conversion.

i) Delivery of Conversion Shares Upon Conversion. Promptly after each Conversion Date, but, in any case within the earlier of (i) two (2) Trading Days and (ii) the Standard Settlement Period, thereof (the "Share Delivery Date"), the Corporation shall deliver, or cause to be delivered, to the converting Holder the number of Conversion Shares being acquired upon the conversion of the Series D Preferred Stock and a wire transfer of immediately available funds in the amount of accrued and unpaid dividends, if any. Conversion Shares issuable hereunder shall be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder's or its designee's balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system ("DWAC") if the Corporation is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Conversion Shares to or resale of the Conversion Shares by the Holder or (B) the Conversion Shares are eligible for resale by the Holder without volume or manner-of-sale limitations pursuant to Rule 144, and otherwise by physical delivery of a certificate, registered in the Corporation's share register in the name of the Holder or its designee, for the number of Conversion Shares to which the Holder is entitled pursuant to such conversion to the address specified by the Holder in the Notice of Conversion.

The Corporation shall deliver (or cause to be delivered) to the converting Holder (A) a certificate or certificates for the number of shares of Common Stock issuable upon conversion, and (B) if less than the number of shares of Series D Preferred Stock evidenced by the surrendered certificate or certificates are being converted, a new certificate or certificates, of like tenor, for the number of shares evidenced by any surrendered Series D Preferred Stock certificate or certificates (if applicable) less the number of shares converted. The Corporation agrees to maintain a transfer agent that is a participant in the FAST program so long as any shares of Series D Preferred Stock remain outstanding. As used herein, “Standard Settlement Period” means the standard settlement period, expressed in a number of Trading Days, on the Corporation’s primary Trading Market with respect to the Common Stock as in effect on the date of delivery of the Notice of Conversion.

ii) Failure to Deliver Conversion Shares. If, in the case of any Notice of Conversion, such Conversion Shares are not delivered to or as directed by the applicable Holder by the Share Delivery Date, in addition to any other rights herein, the Holder shall be entitled to elect by written notice to the Corporation at any time on or before its receipt of such Conversion Shares, to rescind such Conversion, in which event the Corporation shall promptly return to the Holder any original Series D Preferred Stock certificate delivered to the Corporation and the Holder shall promptly return to the Corporation the Conversion Shares issued to such Holder pursuant to the rescinded Notice of Conversion.

iii) Obligation Absolute; Partial Liquidated Damages. The Corporation’s obligation to issue and deliver the Conversion Shares upon conversion of Series D Preferred Stock in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by a Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by such Holder or any other Person of any obligation to the Corporation or any violation or alleged violation of law by such Holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Corporation to such Holder in connection with the issuance of such Conversion Shares; provided, however, that such delivery shall not operate as a waiver by the Corporation of any such action that the Corporation may have against such Holder. In the event a Holder shall elect to convert any or all of the Stated Value of its Series D Preferred Stock, the Corporation may not refuse conversion based on any claim that such Holder or any one associated or affiliated with such Holder has been engaged in any violation of law, agreement or for any other reason, unless an injunction from a court, on notice to Holder, restraining and/or enjoining conversion of all or part of the Series D Preferred Stock of such Holder shall have been sought and obtained. In the absence of such injunction, the Corporation shall issue Conversion Shares and, if applicable, cash, upon a properly noticed conversion. Nothing herein shall limit a Holder’s right to pursue actual damages for the Corporation’s failure to deliver Conversion Shares within the period specified herein and such Holder shall have the right to pursue all remedies available to it hereunder, at law or in equity including a decree of specific performance and/or injunctive relief. The exercise of any such rights shall not prohibit a Holder from seeking to enforce damages pursuant to any other Section hereof or under applicable law.

iv) Reservation of Shares Issuable Upon Conversion. The Corporation covenants that it will at all times reserve and keep available out of its authorized and unissued shares of Common Stock for the sole purpose of issuance upon conversion of the Series D Preferred Stock as herein provided, free from preemptive rights or any other actual contingent purchase rights of Persons other than the Holder (and the other holders of the Series D Preferred Stock), not less than such aggregate number of shares of the Common Stock as shall be issuable (taking into account the adjustments and restrictions of Section 7) upon the conversion of the then outstanding shares of Series D Preferred Stock. The Corporation covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly authorized, validly issued, fully paid and nonassessable.

v) Fractional Shares. No fractional shares or scrip representing fractional shares shall be issued upon the conversion of the Series D Preferred Stock. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such conversion, the Corporation shall at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Conversion Price or round to the next whole share, with 0.5 shares being rounded up to one whole share. Subject to the foregoing, fractional shares of Series D Preferred Stock may be issued and / or converted hereunder.

vi) Transfer Taxes and Expenses. The issuance of Conversion Shares on conversion of this Series D Preferred Stock shall be made without charge to any Holder for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such Conversion Shares, provided that the Corporation shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such Conversion Shares upon conversion in a name other than that of the Holders of such shares of Series D Preferred Stock and the Corporation shall not be required to issue or deliver such Conversion Shares unless or until the Person or Persons requesting the issuance thereof shall have paid to the Corporation the amount of such tax or shall have established to the satisfaction of the Corporation that such tax has been paid. The Corporation shall pay all Transfer Agent fees required for same-day processing of any Notice of Conversion and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Conversion Shares.

d) Beneficial Ownership Limitation. The Corporation shall not effect any conversion of the Series D Preferred Stock, and a Holder shall not have the right to convert any portion of the Series D Preferred Stock, to the extent that, after giving effect to the conversion set forth on the applicable Notice of Conversion, such Holder (together with such Holder's Affiliates, and any Persons acting as a group together with such Holder or any of such Holder's Affiliates (such Persons, "Attribution Parties")) would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by such Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of the Series D Preferred Stock with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted Stated Value of the Series D Preferred Stock beneficially owned by such Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Corporation subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, the Series D Preferred Stock) beneficially owned by such Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 6(d), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. To the extent that the limitation contained in this Section 6(d) applies, the determination of whether the Series D Preferred Stock is convertible (in relation to other securities owned by such Holder together with any Affiliates and Attribution Parties) and of how many shares of Series D Preferred Stock are convertible shall be in the sole discretion of such Holder, and the submission of a Notice of Conversion shall be deemed to be such Holder's determination of whether the shares of Series D Preferred Stock may be converted (in relation to other securities owned by such Holder together with any Affiliates and Attribution Parties) and how many shares of the Series D Preferred Stock are convertible, in each case subject to the Beneficial Ownership Limitation. To ensure compliance with this restriction, each Holder will be deemed to represent to the Corporation each time it delivers a Notice of Conversion that such Notice of Conversion has not

violated the restrictions set forth in this paragraph and the Corporation shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 6(d), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (i) the Corporation's most recent periodic or annual report filed with the Commission, as the case may be, (ii) a more recent public announcement by the Corporation or (iii) a more recent written notice by the Corporation or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder (which may be via email), the Corporation shall, within two Trading Days, confirm orally and in writing to such Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Corporation, including the Series D Preferred Stock, by such Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall initially be 4.99% (or upon the election by a Holder prior to the issuance of any shares of Series D Preferred Stock, 19.99%) of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of Series D Preferred Stock held by the applicable Holder. A Holder, upon notice to the Corporation, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 6(d) applicable to its Series D Preferred Stock provided that the Beneficial Ownership Limitation in no event exceeds 19.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of this Series D Preferred Stock held by the Holder and the provisions of this Section 6(d) shall continue to apply. Any such increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Corporation and shall only apply to such Holder and no other Holder. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 6(d) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation contained herein or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of Series D Preferred Stock.

e) Issuance Restrictions. Notwithstanding anything herein to the contrary, if the Company has not obtained Stockholder Approval, then the Company may not issue any shares of Common Stock upon the conversion of any share of Series D Preferred Stock.

Section 7. Certain Adjustments.

a) Stock Dividends and Stock Splits. If the Corporation, at any time while this Series D Preferred Stock is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any other Common Stock Equivalents (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Corporation upon conversion of, or payment of a dividend on, this Series D Preferred Stock), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (iv) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Corporation, then the Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Corporation) outstanding immediately before such event, and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to this Section 7(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or reclassification.

b) Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 7(a) above, if at any time the Corporation grants, issues or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to the record holders of any class of shares of Common Stock (the "Purchase Rights"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of such Holder's Series D Preferred Stock (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

c) Pro Rata Distributions. During such time as this Series D Preferred Stock is outstanding, if the Corporation declares or makes any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including, without limitation, any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) (a "Distribution"), at any time after the issuance of this Series D Preferred Stock, then, in each such case, the Holder shall be entitled to participate in such Distribution to the same extent that the Holder would have participated therein if the Holder had held the number of shares of Common Stock acquirable upon complete conversion of this Series D Preferred Stock (without regard to any limitations on conversion hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date of which a record is taken for such Distribution, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the participation in such Distribution (provided, however, to the extent that the Holder's right to participate in any such Distribution would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Distribution to such extent (or in the beneficial ownership of any shares of Common Stock as a result of such Distribution to such extent) and the portion of such Distribution shall be held in abeyance for the benefit of the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

d) Fundamental Transaction. If, at any time while this Series D Preferred Stock is outstanding, (i) the Corporation, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Corporation with or into another Person, (ii) the Corporation, directly or indirectly, effects any sale, lease, exclusive license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Corporation or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Common Stock, (iv) the Corporation, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property, or (v) the Corporation, directly or indirectly, in one or more related transactions consummates a stock or

share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person whereby such other Person acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination) (each a “Fundamental Transaction”), then, upon any subsequent conversion of this Series D Preferred Stock, the Holder shall have the right to receive, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction (without regard to any limitation in Section 6(d) or Section 6(e) on the conversion of this Series D Preferred Stock), the number of shares of Common Stock of the successor or acquiring corporation or of the Corporation, if it is the surviving corporation, and any additional consideration (the “Alternate Consideration”) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Series D Preferred Stock is convertible immediately prior to such Fundamental Transaction (without regard to any limitation in Section 6(d) or Section 6(e) on the conversion of this Series D Preferred Stock). For purposes of any such conversion, the determination of the Conversion Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Corporation shall apportion the Conversion Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any conversion of this Series D Preferred Stock following such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, any successor to the Corporation or surviving entity in such Fundamental Transaction shall file a new Certificate of Designation with the same terms and conditions and issue to the Holders new preferred stock consistent with the foregoing provisions and evidencing the Holders’ right to convert such preferred stock into Alternate Consideration. The Corporation shall cause any successor entity in a Fundamental Transaction in which the Corporation is not the survivor (the “Successor Entity”) to assume in writing all of the obligations of the Corporation under this Certificate of Designation in accordance with the provisions of this Section 7(d) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the holder of this Series D Preferred Stock, deliver to the Holder in exchange for this Series D Preferred Stock a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Series D Preferred Stock which is convertible for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon conversion of this Series D Preferred Stock (without regard to any limitations on the conversion of this Series D Preferred Stock) prior to such Fundamental Transaction, and with a conversion price which applies the conversion price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such conversion price being for the purpose of protecting the economic value of this Series D Preferred Stock immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Certificate of Designation referring to the “Corporation” shall refer instead to the Successor Entity), and may exercise every right and power of the Corporation and shall assume all of the obligations of the Corporation under this Certificate of Designation with the same effect as if such Successor Entity had been named as the Corporation herein.

e) Calculations. All calculations under this Section 7 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 7, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding any treasury shares of the Corporation) issued and outstanding.

f) Notice to the Holders.

i) Adjustment to Conversion Price. Whenever the Conversion Price is adjusted pursuant to any provision of this Section 7, the Corporation shall promptly deliver to each Holder by email or nationally recognized overnight courier service a notice setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

To the extent that any notice provided hereunder constitutes, or contains, material, non-public information regarding the Corporation or any of the Subsidiaries, the Corporation shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to convert the Conversion Amount of this Series D Preferred Stock (or any part hereof) during the 20-day period commencing on the date of such notice through the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

e) Waiver. Any waiver by the Corporation or a Holder of a breach of any provision of this Certificate of Designation shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of this Certificate of Designation or a waiver by any other Holders. The failure of the Corporation or a Holder to insist upon strict adherence to any term of this Certificate of Designation on one or more occasions shall not be considered a waiver or deprive that party (or any other Holder) of the right thereafter to insist upon strict adherence to that term or any other term of this Certificate of Designation on any other occasion. Any waiver by the Corporation or a Holder must be in writing.

f) Severability. If any provision of this Certificate of Designation is invalid, illegal or unenforceable, the balance of this Certificate of Designation shall remain in effect, and if any provision is inapplicable to any Person or circumstance, it shall nevertheless remain applicable to all other Persons and circumstances. Notwithstanding any provision of the Plan to the contrary, no Eligible Employee shall be granted an option under the Plan if (i) immediately after the grant of the option, such Eligible Employee (or any other person whose stock would be attributed to such Eligible Employee pursuant to Section 424(d) of the Code) would own capital stock of the Company or hold outstanding options to purchase stock possessing 5% or more of the total combined voting power or value of all classes of stock of the Company or any Subsidiary or (ii) such option would permit his or her rights to purchase stock under all employee stock purchase plans (described in Section 423 of the Code) of the Company and its Subsidiaries to accrue at a rate that exceeds \$25,000 of the Fair Market Value of such stock (determined at the time the option is granted) for each calendar year in which such option is outstanding at any time.

5. Offering Periods

The Plan shall be implemented by a series of Offering Periods, each of which shall be six (6) months in duration, with new Offering Periods commencing on or about January 1 and July 1 of each year (or such other times as determined by the Committee). The Committee shall have the authority to change the duration, frequency, start and end dates of Offering Periods.

6. Participation

6.1 Enrollment; Payroll Deductions

An Eligible Employee may elect to participate in the Plan by properly completing an Enrollment Form, which may be electronic, and submitting it to the Company, in accordance with the enrollment procedures established by the Committee. Participation in the Plan is entirely voluntary. By submitting an Enrollment Form, the Eligible Employee authorizes payroll deductions from his or her pay check in an amount equal to at least 1%, but not more than 25% of his or her Compensation on each pay day occurring during an Offering Period (or such other maximum percentage as the Committee may establish from time to time before an Offering Period begins). Payroll deductions shall commence on the first payroll date following the Offering Date and end on the last payroll date on or before the Purchase Date. The Company shall maintain records of all payroll deductions but shall have no obligation to pay interest on payroll deductions or to hold such amounts in a trust or in any segregated account. Unless expressly permitted by the Committee, a Participant may not make any separate contributions or payments to the Plan.

6.2 Election Changes

During an Offering Period, a Participant may decrease or increase his or her rate of payroll deductions applicable to such Offering Period only once. To make such a change, the Participant must submit a new Enrollment Form authorizing the new rate of payroll deductions at least fifteen days before the Purchase Date. A Participant may decrease or increase his or her rate of payroll deductions for future Offering Periods by submitting a new Enrollment Form authorizing the new rate of payroll deductions at least fifteen days before the start of the next Offering Period.

6.3 Automatic Re-enrollment

The deduction rate selected in the Enrollment Form shall remain in effect for subsequent Offering Periods unless the Participant (a) submits a new Enrollment Form authorizing a new level of payroll deductions in accordance with Section 6.2, (b) withdraws from the Plan in accordance with Section 10, or (c) terminates employment or otherwise becomes ineligible to participate in the Plan.

7. Grant of Option

On each Offering Date, each Participant in the applicable Offering Period shall be granted an option to purchase, on the Purchase Date, a number of shares of Common Stock determined by dividing the Participant's accumulated payroll deductions by the applicable Purchase Price; provided, however, that in no event shall any Participant purchase more than 10,000 shares of Common Stock during an Offering Period (subject to adjustment in accordance with Section 18 and the limitations set forth in Section 13 of the Plan).

8. Exercise of Option/Purchase of Shares

A Participant's option to purchase shares of Common Stock will be exercised automatically on the Purchase Date of each Offering Period. The Participant's accumulated payroll deductions will be used to purchase the maximum number of whole shares that can be purchased with the amounts in the Participant's notional account. No fractional shares may be purchased but notional fractional shares of Common Stock will be allocated to the Participant's ESPP Share Account to be aggregated with other notional fractional shares of Common Stock on future Purchase Dates, subject to earlier withdrawal by the Participant in accordance with Section 10 or termination of employment in accordance with Section 11.

9. Transfer of Shares

As soon as reasonably practicable after each Purchase Date, the Company will arrange for the delivery to each Participant of the shares of Common Stock purchased upon exercise of his or her option. The Committee may permit or require that the shares be deposited directly into an ESPP Share Account established in the name of the Participant with a Designated Broker and may require that the shares of Common Stock be retained with such Designated Broker for a specified period of time. Participants will not have any voting, dividend or other rights of a shareholder with respect to the shares of Common Stock subject to any option granted hereunder until such shares have been delivered pursuant to this Section 9.

10. Withdrawal

10.1 Withdrawal Procedure

A Participant may withdraw from an Offering by submitting to the Company a revised Enrollment Form indicating his or her election to withdraw at least 15 days before the Purchase Date. The accumulated payroll deductions held on behalf of a Participant in his or her notional account (that have not been used to purchase shares of Common Stock) shall be paid to the Participant promptly following receipt of the Participant's Enrollment Form indicating his or her election to withdraw and the Participant's option shall be automatically terminated. If a Participant withdraws from an Offering Period, no payroll deductions will be made during any succeeding Offering Period, unless the Participant re-enrolls in accordance with Section 6.1 of the Plan.

10.2 Effect on Succeeding Offering Periods

A Participant's election to withdraw from an Offering Period will not have any effect upon his or her eligibility to participate in succeeding Offering Periods that commence following the completion of the Offering Period from which the Participant withdraws.

11. Termination of Employment; Change in Employment Status

Upon termination of a Participant's employment for any reason, including death, disability or retirement, or a change in the Participant's employment status following which the Participant is no longer an Eligible Employee, which in either case occurs at least thirty days before the Purchase Date, the Participant will be deemed to have withdrawn from the Plan and the payroll deductions in the Participant's notional account (that have not been used to purchase shares of Common Stock) shall be returned to the Participant, or in the case of the Participant's death, to the person(s) entitled to such amounts under Section 17, and the Participant's option shall be automatically terminated. If the Participant's termination of employment or change in status occurs within thirty days before a Purchase Date, the accumulated payroll deductions shall be used to purchase shares on the Purchase Date.

12. Interest

No interest shall accrue on or be payable with respect to the payroll deductions of a Participant in the Plan.

13. Shares Reserved for Plan

13.1 Number of Shares

A total of one million (1,000,000) shares of Common Stock have been reserved as authorized for the grant of options under the Plan. The shares of Common Stock may be newly issued shares, treasury shares or shares acquired on the open market.

13.2 Over-subscribed Offerings

The number of shares of Common Stock which a Participant may purchase in an Offering under the Plan may be reduced if the Offering is over-subscribed. No option granted under the Plan shall permit a Participant to purchase shares of Common Stock which, if added together with the total number of shares of Common Stock purchased by all other Participants in such Offering would exceed the total number of shares of Common Stock remaining available under the Plan. If the Committee determines that, on a particular Purchase Date, the number of shares of Common Stock with respect to which options are to be exercised exceeds the number of shares of Common Stock then available under the Plan, the Company shall make a pro rata allocation of the shares of Common Stock remaining available for purchase in as uniform a manner as practicable and as the Committee determines to be equitable.

14. Transferability

No payroll deductions credited to a Participant, nor any rights with respect to the exercise of an option or any rights to receive Common Stock hereunder may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution, or as provided in Section 17 hereof) by the Participant. Any attempt to assign, transfer, pledge or otherwise dispose of such rights or amounts shall be without effect.

15. Application of Funds

All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose to the extent permitted by applicable law, and the Company shall not be required to segregate such payroll deductions or contributions.

16. Statements

Participants will be provided with statements at least annually which shall set forth the contributions made by the Participant to the Plan, the Purchase Price of any shares of Common Stock purchased with accumulated funds, the number of shares of Common Stock purchased, and any payroll deduction amounts remaining in the Participant's notional account.

17. Designation of Beneficiary

A Participant may file on forms supplied by the Committee, a written designation of beneficiary who is to receive any shares of Common Stock and cash in respect of any fractional shares of Common Stock, if any, from the Participant's ESPP Share Account under the Plan in the event of such Participant's death. In addition, a Participant may file a written designation of beneficiary who is to receive any cash withheld through payroll deductions and credited to the Participant's notional account in the event of the Participant's death prior to the Purchase Date of an Offering Period.

18. Adjustments Upon Changes in Capitalization; Dissolution or Liquidation; Corporate Transactions

18.1 Adjustments

In the event that any dividend or other distribution (whether in the form of cash, Common Stock, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Common Stock or other securities of the Company, or other change in the Company's structure affecting the Common Stock occurs, then in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, the Committee will, in such manner as it deems equitable, adjust the number of shares and class of Common Stock that may be delivered under the Plan, the Purchase Price per share and the number of shares of Common Stock covered by each outstanding option under the Plan, and the numerical limits of Section 7 and Section 13.

18.2 Dissolution or Liquidation

Unless otherwise determined by the Committee, in the event of a proposed dissolution or liquidation of the Company, any Offering Period then in progress will be shortened by setting a new Purchase Date and the Offering Period will end immediately prior to the proposed dissolution or liquidation. The new Purchase Date will be before the date of the Company's proposed dissolution or liquidation. Before the new Purchase Date, the Committee will provide each Participant with written notice, which may be electronic, of the new Purchase Date and that the Participant's option will be exercised automatically on such date, unless before such time, the Participant has withdrawn from the Offering in accordance with Section 10.

18.3 Corporate Transaction

In the event of a Corporate Transaction, each outstanding option will be assumed, or an equivalent option substituted by the successor corporation or a parent or Subsidiary of such successor corporation. If the successor corporation refuses to assume or substitute the option, the Offering Period with respect to which the option relates will be shortened by setting a new Purchase Date on which the Offering Period will end. The new Purchase Date will occur before the date of the Corporate Transaction. Prior to the new Purchase Date, the Committee will provide each Participant with written notice, which may be electronic, of the new Purchase Date and that the Participant's option will be exercised automatically on such date, unless before such time, the Participant has withdrawn from the Offering in accordance with Section 10.

19. General Provisions

19.1 Equal Rights and Privileges

Notwithstanding any provision of the Plan to the contrary and in accordance with Section 423 of the Code, all Eligible Employees who are granted options under the Plan shall have the same rights and privileges.

19.2 No Right to Continued Service

Neither the Plan nor any compensation paid hereunder will confer on any Participant the right to continue as an Employee or in any other capacity.

19.3 Rights as Shareholder

A Participant will become a shareholder with respect to the shares of Common Stock that are purchased pursuant to options granted under the Plan when the shares are transferred to the Participant's ESPP Share Account. A Participant will have no rights as a shareholder with respect to shares of Common Stock for which an election to participate in an Offering Period has been made until such Participant becomes a shareholder as provided above.

19.4 Successors and Assigns

The Plan shall be binding on the Company and its successors and assigns.

19.5 Entire Plan

This Plan constitutes the entire plan with respect to the subject matter hereof and supersedes all prior plans with respect to the subject matter hereof.

19.6 Compliance with Law

The obligations of the Company with respect to payments under the Plan are subject to compliance with all applicable laws and regulations. Common Stock shall not be issued with respect to an option granted under the Plan unless the exercise of such option and the issuance and delivery of the shares of Common Stock pursuant thereto shall comply with all applicable provisions of law, including, without limitation, the Securities Act, the Exchange Act, and the requirements of any stock exchange upon which the shares may then be listed.

19.7 Notice of Disqualifying Dispositions

Each Participant shall give the Company prompt written notice of any disposition or other transfer of shares of Common Stock acquired pursuant to the exercise of an option acquired under the Plan, if such disposition or transfer is made within two years after the Offering Date or within one year after the Purchase Date.

19.8 Term of Plan

The Plan shall become effective on the Effective Date and, unless terminated earlier pursuant to Section 19.9, shall have a term of ten years.

19.9 Amendment or Termination

The Committee may, in its sole discretion, amend, suspend or terminate the Plan at any time and for any reason. If the Plan is terminated, the Committee may elect to terminate all outstanding Offering Periods either immediately or once shares of Common Stock have been purchased on the next Purchase Date (which may, in the discretion of the Committee, be accelerated) or permit Offering Periods to expire in accordance with their terms (and subject to any adjustment in accordance with Section 18). If any Offering Period is terminated before its scheduled expiration, all amounts that have not been used to purchase shares of Common Stock will be returned to Participants (without interest, except as otherwise required by law) as soon as administratively practicable.

19.10 Applicable Law

The laws of the State of Florida shall govern all questions concerning the construction, validity and interpretation of the Plan, without regard to such state's conflict of law rules.

19.11 Shareholder Approval

The Plan shall be subject to approval by the shareholders of the Company within twelve (12) months before or after the date the Plan is adopted by the Board.

19.12 Section 423

The Plan is intended to qualify as an "employee stock purchase plan" under Section 423 of the Code. Any provision of the Plan that is inconsistent with Section 423 of the Code shall be reformed to comply with Section 423 of the Code.

19.13 Withholding

To the extent required by applicable Federal, state or local law, a Participant must make arrangements satisfactory to the Company for the payment of any withholding or similar tax obligations that arise in connection with the Plan.

19.14 Severability

If any provision of the Plan shall for any reason be held to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision hereof, and the Plan shall be construed as if such invalid or unenforceable provision were omitted.

19.15 Headings

The headings of sections herein are included solely for convenience and shall not affect the meaning of any of the provisions of the Plan.

Subject to ratification of the grant of each Stock Right by the Board (but only if so required by applicable state law), and subject to the terms of the Plan, the Compensation Committee shall have the authority to:
 - I. Determine the employees of the Company and Related Corporations (from among the class of employees eligible under Section 3 to receive ISOs) to whom ISOs may be granted, and to determine (from among the class of individuals and entities eligible under Section 3 to receive Non-Qualified Options, Restricted Stock, RSUs and SARs) to whom Non-Qualified Options, Restricted Stock, RSUs and SARs may be granted;
 - II. Determine when Stock Rights may be granted;
 - III. Determine the exercise prices of Stock Rights other than Restricted Stock and RSUs, which shall not be less than the Fair Market Value;
 - IV. Determine whether each Option granted shall be an ISO or a Non-Qualified Option;
 - V. Determine when Stock Rights shall become exercisable, the duration of the exercise period and when each Stock Right shall vest;
 - VI. Determine whether restrictions such as repurchase options are to be imposed on shares subject to or issued in connection with Stock Rights, and the nature of such restrictions, if any; and
 - VII. Interpret the Plan and promulgate and rescind rules and regulations relating to it. The interpretation and construction by the Compensation Committee of any provisions of the Plan or of any Stock Right granted under it shall be final, binding and conclusive unless otherwise determined by the Board. The Compensation Committee may from time to time adopt such rules and regulations for carrying out the Plan as it may deem best.
- b. No members of the Compensation Committee or the Board shall be liable for any action or determination made in good faith with respect to the Plan or any Stock Right granted under it. No member of the Compensation Committee or the Board shall be liable for any act or omission of any other member of the Compensation Committee or the Board or for any act or omission on his own part, including but not limited to the exercise of any power and discretion given to him or her under the Plan, except those resulting from his or her own gross negligence or willful misconduct.

- c. Stock Rights may be granted to members of the Board, whether such grants are in their capacity as directors, Officers or consultants. All grants of Stock Rights to members of the Board shall in all other respects be made in accordance with the provisions of this Plan applicable to other eligible persons. Members of the Board who are either:
 - I. Eligible for Stock Rights pursuant to the Plan; or
 - II. Have been granted Stock Rights may vote on any matters affecting the administration of the Plan or the grant of any Stock Rights pursuant to the Plan.
- d. In addition to such other rights of indemnification as he or she may have as a member of the Board, and with respect to administration of the Plan and the granting of Stock Rights under it, each member of the Board and of the Compensation Committee shall be entitled without further act on his or her part to indemnification from the Company for all expenses (including advances of litigation expenses, the amount of judgment and the amount of approved settlements made with a view to the curtailment of costs of litigation) reasonably incurred by him or her in connection with or arising out of any action, suit or proceeding, including any appeal thereof, with respect to the administration of the Plan or the granting of Stock Rights under it in which he or she may be involved by reason of his or her being or having been a member of the Board or the Compensation Committee, whether or not he or she continues to be such member of the Board or the Compensation Committee at the time of the incurring of such expenses; provided, however, that such indemnity shall be subject to the limitations contained in any Indemnification Agreement between the Company and the Board member or Officer. - e. The Board may delegate the powers to grant Stock Rights to Officers to the extent permitted by the laws of the State of Florida.

3) Eligible Employees and Others

- a. ISOs may be granted to any employee of the Company or any Related Corporation. Those Officers and directors of the Company who are not employees may not be granted ISOs under the Plan. Subject to compliance with Rule 16b-3 and other applicable securities laws, Non-Qualified Options, Restricted Stock, RSUs and SARs may be granted to any director (whether or not an employee), Director Advisors, Officers, employees or consultants of the Company or any Related Corporation. The Compensation Committee may take into consideration a recipient's individual circumstances in determining whether to grant an ISO, a Non-Qualified Option, Restricted Stock, RSUs or a SAR. Granting of any Stock Right to any individual or entity shall neither entitle that individual or entity to, nor disqualify him or her from participation in, any other grant of Stock Rights.
- b. The exercise price of the Options or SARs under Section 3 shall be Fair Market Value or such higher price as may be established by the Compensation Committee, the Board or by the Code.

4) Common Stock.

- a. The Common Stock subject to Stock Rights shall be authorized but unissued shares of Common Stock, par value \$0.001, or shares of Common Stock reacquired by the Company in any manner, including purchase, forfeiture or otherwise.
- b. The aggregate number of shares of Common Stock which may be issued pursuant to the Plan is 1,000,000 subject to adjustment as provided in Section 14. Any such shares may be issued under ISOs, Non-Qualified Options, Restricted Stock, RSUs or SARs, so long as the number of shares so issued does not exceed the limitations in this Section. If any Stock Rights granted under the Plan shall expire or terminate for any reason without having been exercised in full or shall cease for any reason to be exercisable in whole or in part, or if the Company shall reacquire any unvested shares, the unpurchased shares subject to such Stock Rights and any unvested shares so reacquired by the Company shall again be available for grants under the Plan.

5) Granting of Stock Rights.

- a. The date of grant of a Stock Right under the Plan will be the date specified by the Board or Compensation Committee at the time it grants the Stock Right; provided, however, that such date shall not be prior to the date on which the Board or Compensation Committee acts to approve the grant. The Board or Compensation Committee shall have the right, with the consent of the optionee, to convert an ISO granted under the Plan to a Non-Qualified Option pursuant to Section 17.
- b. The Board or Compensation Committee shall grant Stock Rights to participants that it, in its sole discretion, selects. Stock Rights shall be granted on such terms as the Board or Compensation Committee shall determine except that ISOs shall be granted on terms that comply with the Code and regulations thereunder.
- c. A SAR entitles the holder to receive, as designated by the Board or Compensation Committee, cash or shares of Common Stock, value equal to (or otherwise based on) the excess of:
 - I. The Fair Market Value of a specified number of shares of Common Stock at the time of exercise over;
 - II. An exercise price established by the Board or Compensation Committee.
- d. The exercise price of each SAR granted under this Plan shall be established by the Compensation Committee or shall be determined by a method established by the Board or Compensation Committee at the time the SAR is granted, provided the exercise price shall not be less than 100% of the Fair Market Value of a share of Common Stock on the date of the grant of the SAR, or such higher price as is established by the Board or Compensation Committee. A SAR shall be exercisable in accordance with such terms and conditions and during such periods as may be established by the Board or Compensation Committee. Shares of Common Stock delivered pursuant to the exercise of a SAR shall be subject to such conditions, restrictions and contingencies as the Board or Compensation Committee may establish in the applicable SAR agreement or document, if any. The Board or Compensation Committee, in its discretion, may impose such conditions, restrictions and contingencies with respect to shares of Common Stock acquired pursuant to the exercise of each SAR as the Board or Compensation Committee determines to be desirable. A SAR under the Plan shall be subject to such terms and conditions, not inconsistent with the Plan, as the Board or Compensation Committee shall, in its discretion, prescribe. The terms and conditions of any SAR to any grantee shall be reflected in such form of agreement as is determined by the Board or Compensation Committee. A copy of such document, if any, shall be provided to the grantee, and the Board or Compensation Committee may condition the granting of the SAR on the grantee executing such agreement.
- e. An RSU gives the grantee the right to receive a number of shares of the Company's Common Stock on applicable vesting or other dates. Delivery of the RSUs may be deferred beyond vesting as determined by the Board or Compensation Committee. RSUs shall be evidenced by an RSU agreement in the form determined by the Board or Compensation Committee. With respect to an RSU, which becomes non-forfeitable due to the lapse of time, the Compensation Committee shall prescribe in the RSU agreement the vesting period. With respect to the granting of the RSU, which becomes non-forfeitable due to the satisfaction of certain pre-established performance-based objectives imposed by the Board or Compensation Committee, the measurement date of whether such performance-based objectives have been satisfied shall be a date no earlier than the first anniversary of the date of the RSU. A recipient who is granted an RSU shall possess no incidents of ownership with respect to such underlying Common Stock, although the RSU agreement may provide for payments in lieu of dividends to such grantee.
- f. Notwithstanding any provision of this Plan, the Board or Compensation Committee may impose conditions and restrictions on any grant of Stock Rights including forfeiture of vested Options, cancellation of Common Stock acquired in connection with any Stock Right and forfeiture of profits.
- g. The Options and SARs shall not be exercisable for a period of more than 10 years from the date of grant.

6) Sale of Shares

The shares underlying Stock Rights granted to any Officer, director or a beneficial owner of 10% or more of the Company's securities registered under Section 12 of the Exchange Act shall not be sold, assigned or transferred by the grantee until at least six months elapse from the date of the grant thereof.

7) ISO Minimum Option Price and Other Limitations.

- a. The exercise price per share relating to all Options granted under the Plan shall not be less than the Fair Market Value per share of Common Stock on the last trading day prior to the date of such grant. For purposes of determining the exercise price, the date of the grant shall be the later of:
 - I. The date of approval by the Board or Compensation Committee or
 - II. For ISOs, the date the recipient becomes an employee of the Company. In the case of an ISO to be granted to an employee owning Common Stock which represents more than 10 percent of the total combined voting power of all classes of stock of the Company or any Related Corporation, the price per share shall not be less than 110% of the Fair Market Value per share of Common Stock on the date of grant and such ISO shall not be exercisable after the expiration of five years from the date of grant.
- b. In no event shall the aggregate Fair Market Value (determined at the time an ISO is granted) of Common Stock for which ISOs granted to any employee are exercisable for the first time by such employee during any calendar year (under all stock option plans of the Company and any Related Corporation) exceed \$100,000.

8) Duration of Stock Rights.

Subject to earlier termination as provided in Sections 3, 5, 9, 10 and 11, each Option and SAR shall expire on the date specified in the original instrument granting such Stock Right (except with respect to any part of an ISO that is converted into a Non-Qualified Option pursuant to Section 17), provided, however, that such instrument must comply with Section 422 of the Code with regard to ISOs and Rule 16b-3 with regard to all Stock Rights granted pursuant to the Plan to Officers, directors and 10% shareholders of the Company.

9) Exercise of Options and SARs; Vesting of Stock Rights.

Subject to the provisions of Sections 3 and 9 through 13, each Option and SAR granted under the Plan shall be exercisable as follows:

- a. The Options and SARs shall either be fully vested and exercisable from the date of grant or shall vest and become exercisable in such installments as the Board or Compensation Committee may specify.
- b. Once an installment becomes exercisable it shall remain exercisable until expiration or termination of the Option and SAR, unless otherwise specified by the Board or Compensation Committee or as otherwise provided in this Plan.
- c. Each Option and SAR or installment, once it becomes exercisable, may be exercised at any time or from time to time, in whole or in part, for up to the total number of shares with respect to which it is then exercisable.
- d. The Board or Compensation Committee shall have the right to accelerate the vesting date of any installment of any Stock Right; provided that the Board or Compensation Committee shall not accelerate the exercise date of any installment of any Option granted to any employee as an ISO (and not previously converted into a Non-Qualified Option pursuant to Section 17) if such acceleration would violate the annual exercisability limitation contained in Section 422(d) of the Code as described in Section 7(b).

10) Termination of Employment.

Subject to any greater restrictions or limitations as may be imposed by the Board or Compensation Committee upon the granting of any Option, if an optionee ceases to be employed by the Company and all Related Corporations other than by reason of death or Disability, no further installments of his or her options shall vest or become exercisable, and his or her options shall terminate as provided for in the grant, or on the day 12 months after the day of the termination of his or her employment (except three months for ISOs), whichever is earlier, but in no event later than on their specified expiration dates. Employment shall be considered as continuing uninterrupted during any bona fide leave of absence (such as those attributable to illness, military obligations or governmental service) provided that the period of such leave does not exceed 90 days or, if longer, any period during which such optionee's right to re-employment is guaranteed by statute. A leave of absence with the written approval of the Board shall not be considered an interruption of employment under the Plan, provided that such written approval contractually obligates the Company or any Related Corporation to continue the employment of the optionee after the approved period of absence. Options granted under the Plan shall not be affected by any change of employment within or among the Company and Related Corporations so long as the optionee continues to be an employee of the Company or any Related Corporation.

11) Death; Disability.

Subject to any greater restrictions or limitations as may be imposed by the Board or Compensation Committee upon the granting of any Option or SAR:

- a. If the holder of an Option or SAR ceases to be employed by the Company and all Related Corporations by reason of his or her death, any Options or SARs of such employee may be exercised to the extent of the number of shares with respect to which he or she could have exercised it on the date of his or her death, by his or her estate, personal representative or beneficiary who has acquired the Options or SARs by will or by the laws of descent and distribution, at any time prior to the earlier of the Options' or SARs' specified expiration date or three months from the date of the grantee's death.
- b. If the holder of an Option or SAR ceases to be employed by the Company and all Related Corporations, or a director or Director Advisor can no longer perform his or her duties, by reason of his or her Disability, he or she shall have the right to exercise any Option or SARs held by him or her on the date of termination of employment or ceasing to act as a director or Director Advisor until the earlier of (i) the Options' or SARs' specified expiration date or (ii) one year from the date of the termination of the person's employment.

12) Assignment, Transfer or Sale.

- a. No ISO granted under this Plan shall be assignable or transferable by the grantee except by will or by the laws of descent and distribution, and during the lifetime of the grantee, each ISO shall be exercisable only by him or her, his or her guardian or legal representative.
- b. Except for ISOs, all Stock Rights are transferable subject to compliance with applicable securities laws and Section 6 of this Plan.

13) Terms and Conditions of Stock Rights.

Stock Rights shall be evidenced by instruments (which need not be identical) in such forms as the Board or Compensation Committee may from time to time approve. Such instruments shall conform to the terms and conditions set forth in Sections 5 through 12 hereof and may contain such other provisions as the Board or Compensation Committee deems advisable which are not inconsistent with the Plan. In granting any Stock Rights, the Board or Compensation Committee may specify that Stock Rights shall be subject to the restrictions set forth herein with respect to ISOs, or to such other termination and cancellation provisions as the Board or Compensation Committee may determine. The Board or Compensation Committee may from time to time confer authority and responsibility on one or more of its own members and/or one or more Officers of the Company to execute and deliver such instruments. The proper Officers of the Company are authorized and directed to take any and all action necessary or advisable from time to time to carry out the terms of such instruments.

14) Adjustments Upon Certain Events.

- a. Subject to any required action by the shareholders of the Company, the number of shares of Common Stock covered by each outstanding Stock Right, and the number of shares of Common Stock which have been authorized for issuance under the Plan but as to which no Stock Rights have yet been granted or which have been returned to the Plan upon cancellation or expiration of a Stock Right, as well as the price per share of Common Stock (or cash, as applicable) covered by each such outstanding Option or SAR, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of Common Stock, or any other increase or decrease in the number of issued shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company or the voluntary cancellation whether by virtue of a cashless exercise of a derivative security of the Company or otherwise shall not be deemed to have been “effected without receipt of consideration.” Such adjustment shall be made by the Board or Compensation Committee, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to a Stock Right. No adjustments shall be made for dividends or other distributions paid in cash or in property other than securities of the Company.
- b. In the event of the proposed dissolution or liquidation of the Company, the Board or Compensation Committee shall notify each participant as soon as practicable prior to the effective date of such proposed transaction. To the extent it has not been previously exercised, a Stock Right will terminate immediately prior to the consummation of such proposed action.
- c. In the event of a merger of the Company with or into another corporation, or a Change of Control, each outstanding Stock Right shall be assumed (as defined below) or an equivalent option or right substituted by the successor corporation or a parent or subsidiary of the successor corporation.
- d. In the event of a merger of the Company with or into another corporation, or a Change of Control, the participants shall fully vest in and have the right to exercise their Stock Rights as to which it would not otherwise be vested or exercisable. If a Stock Right becomes fully vested and exercisable, the Board or Compensation Committee shall notify the participant in writing or electronically that the Stock Right shall be fully vested and exercisable for a period of at least 15 days from the date of such notice, and any Options or SARs shall terminate one minute prior to the closing of the merger or sale of assets. For the purposes of this Section 14(c), the Board or Compensation Committee will provide for the consideration to be received upon the exercise of the Stock Right, for each share of Common Stock subject to the Stock Right, at the discretion of the Holder, to be the cash equivalent of common stock of the successor corporation or its parent equal in Fair Market Value to the per share consideration received by holders of Common Stock in the merger or Change in Control. At their sole discretion, the Holder may elect to receive the consideration, if permitted, in the form of Common Stock or equivalent of the successor corporation.
- e. Notwithstanding the foregoing, any adjustments made pursuant to Section 14(a), (b) or (c) with respect to ISOs shall be made only after the Board or Compensation Committee, after consulting with counsel for the Company, determines whether such adjustments would constitute a “modification” of such ISOs (as that term is defined in Section 425(h) of the Code) or would cause any adverse tax consequences for the holders of such ISOs. If the Board or Compensation Committee determines that such adjustments made with respect to ISOs would constitute a modification of such ISOs it may refrain from making such adjustments.

- f. No fractional shares shall be issued under the Plan and the optionee shall receive from the Company cash in lieu of such fractional shares.

15) Means of Exercising Stock Rights.

- a. An Option or SAR (or any part or installment thereof) shall be exercised by giving written notice to the Chief Financial Officer with a copy to the Chief Accounting Officer of the Company at its principal office address. Such notice shall identify the Stock Right being exercised and specify the number of shares as to which such Stock Right is being exercised, accompanied by full payment of the exercise price therefor (to the extent it is exercisable in cash) either:
- I. In United States dollars by check or wire transfer; or
 - II. At the discretion of the Board or Compensation Committee, through delivery of shares of Common Stock having a Fair Market Value equal as of the date of the exercise to the cash exercise price of the Stock Right; or
 - III. At the discretion of the Board or Compensation Committee, by any combination of (i) and (ii) above. If the Board or Compensation Committee exercises its discretion to permit payment of the exercise price of an ISO by means of the methods set forth in clauses (ii) or (iii) of the preceding sentence, such discretion need not be exercised in writing at the time of the grant of the Stock Right in question. The holder of a Stock Right shall not have the rights of a shareholder with respect to the shares covered by his or her Stock Right until the date of issuance of a stock certificate to him or her for such shares. Except as expressly provided above in Section 14 with respect to changes in capitalization and stock dividends, no adjustment shall be made for dividends or similar rights for which the record date is before the date such stock certificate is issued.
- b. Each notice of exercise shall, unless the shares of Common Stock are covered by a then current registration statement under the Securities Act, contain the holder's acknowledgment in form and substance satisfactory to the Company that:
- I. Such shares are being purchased for investment and not for distribution or resale (other than a distribution or resale which, in the opinion of counsel satisfactory to the Company, may be made without violating the registration provisions of the Securities Act),
 - II. The holder has been advised and understands that:
 1. The shares have not been registered under the Securities Act and are "restricted securities" within the meaning of Rule 144 under the Securities Act and are subject to restrictions on transfer and
 2. The Company is under no obligation to register the shares under the Securities Act or to take any action which would make available to the holder any exemption from such registration, and
 3. Such shares may not be transferred without compliance with all applicable federal and state securities laws. Notwithstanding the above, should the Company be advised by counsel that issuance of shares should be delayed pending registration under federal or state securities laws or the receipt of an opinion that an appropriate exemption therefrom is available, the Company may defer exercise of any Stock Right granted hereunder until either such event has occurred.

16) Term, Termination and Amendment.

- a. The Board may terminate the Plan at any time. Unless sooner terminated, the Plan shall terminate 10 years from the date this Plan is adopted by the Board; provided, that this Plan shall not be effective until the Effective Date. No Stock Rights may be granted under the Plan once the Plan is terminated. Termination of the Plan shall not impair rights and obligations under any Stock Right granted while the Plan is in effect, except with the written consent of the grantee.

- b. The Board at any time, and from time to time, may amend the Plan. Provided, however, except as provided in Section 14 relating to adjustments in Common Stock, no amendment shall be effective unless approved by the shareholders of the Company to the extent:
 - I. Shareholder approval is necessary to satisfy the requirements of Section 422 of the Code or
 - II. Required by the rules of the principal national securities exchange or trading market upon which the Company's Common Stock trades. Rights under any Stock Rights granted before amendment of the Plan shall not be impaired by any amendment of the Plan, except with the written consent of the grantee.
- c. The Board at any time, and from time to time, may amend the terms of any one or more Stock Rights; provided, however, that the rights under the Stock Right shall not be impaired by any such amendment, except with the written consent of the grantee.

17) Conversion of ISOs into Non-Qualified Options; Termination of ISOs.

The Board or Compensation Committee, at the written request of any optionee, may at its discretion take such actions as may be necessary to convert such optionee's ISOs (or any installments or portions of installments thereof) that have not been exercised on the date of conversion into Non-Qualified Options at any time prior to the expiration of such ISOs, regardless of whether the optionee is an employee of the Company or a Related Corporation at the time of such conversion. Provided, however, the Board or Compensation Committee shall not reprice the Options or extend the exercise period or reduce the exercise price of the appropriate installments of such Options without the approval of the Company's shareholders. At the time of such conversion, the Board or Compensation Committee (with the consent of the optionee) may impose such conditions on the exercise of the resulting Non-Qualified Options as the Board or Compensation Committee in its discretion may determine, provided that such conditions shall not be inconsistent with this Plan. Nothing in the Plan shall be deemed to give any optionee the right to have such optionee's ISOs converted into Non-Qualified Options, and no such conversion shall occur until and unless the Board or Compensation Committee takes appropriate action. The Compensation Committee, with the consent of the optionee, may also terminate any portion of any ISO that has not been exercised at the time of such termination.

18) Application of Funds.

The proceeds received by the Company from the sale of shares pursuant to Options or SARS (if cash settled) granted under the Plan shall be used for general corporate purposes.

19) Governmental Regulations.

The Company's obligation to sell and deliver shares of the Common Stock under this Plan is subject to the approval of any governmental authority required in connection with the authorization, issuance or sale of such shares.

20) Withholding of Additional Income Taxes.

In connection with the granting, exercise or vesting of a Stock Right or the making of a Disqualifying Disposition the Company, in accordance with Section 3402(a) of the Code, may require the optionee to pay additional withholding taxes in respect of the amount that is considered compensation includable in such person's gross income. To the extent that the Company is required to withhold taxes for federal income tax purposes as provided above, any optionee may elect to satisfy such withholding requirement by (i) paying the amount of the required withholding tax to the Company; (ii) delivering to the Company shares of its Common Stock (including shares of Restricted Stock) previously owned by the optionee; or (iii) having the Company retain a portion of the shares covered by an Option exercise. The number of shares to be delivered to or withheld by the Company times the Fair Market Value of such shares shall equal the cash required to be withheld.

21) Notice to Company of Disqualifying Disposition.

Each employee who receives an ISO must agree to notify the Company in writing immediately after the employee makes a Disqualifying Disposition of any Common Stock acquired pursuant to the exercise of an ISO. If the employee has died before such stock is sold, the holding periods requirements of the Disqualifying Disposition do not apply and no Disqualifying Disposition can occur thereafter.

22) Continued Employment.

The grant of a Stock Right pursuant to the Plan shall not be construed to imply or to constitute evidence of any agreement, express or implied, on the part of the Company or any Related Corporation to retain the grantee in the employ of the Company or a Related Corporation, as a member of the Company's Board or in any other capacity, whichever the case may be.

23) Governing Law; Construction.

The validity and construction of the Plan and the instruments evidencing Stock Rights shall be governed by the laws of the State of Florida. In construing this Plan, the singular shall include the plural and the masculine gender shall include the feminine and neuter, unless the context otherwise requires.

24) Forfeiture of Stock Rights.

Notwithstanding any other provision of this Plan, all vested Stock Rights shall be immediately forfeited at the option of the Board in the event of:

- a. Termination of the relationship with the grantee for cause including, but not limited to, fraud, theft, dishonesty and violation of Company policy;
- b. Purchasing or selling securities of the Company without written authorization in accordance with the Company's inside information guidelines then in effect;
- c. Breaching any duty of confidentiality including that required by the Company's inside information guidelines then in effect;
- d. Competing with the Company; or
- e. Failure to execute the Company's standard Stock Rights Agreement.

The Board or the Compensation Committee may impose other forfeiture restrictions which are more or less restrictive and require a return of profits from the sale of Common Stock as part of said forfeiture provisions if such forfeiture provisions and/or return of provisions are contained in a Stock Rights agreement.

25) Section 409A Compliance

All awards made under this Plan are intended to comply with, or otherwise be exempt from, Section 409A of the Code ("Section 409A"), after giving effect to the exemptions in Treasury Regulation sections 1.409A-1(b)(3) through (b)(12). This Plan and all awards shall be administered, interpreted, and construed in a manner consistent with Section 409A. If any provision of this Plan or any award is found not to comply with, or otherwise not be exempt from, the provisions of Section 409A, it shall be modified and given effect, in the sole discretion of the Board and without requiring the participant's consent, in such manner as the Board determines to be necessary or appropriate to comply with, or effectuate an exemption from, Section 409A. Each payment under an award granted under this Plan shall be treated as a separate identified payment for purposes of Section 409A.
