Duos Technologies Group, Inc. (the "Company"), through its operating subsidiary Duos Technologies, Inc., a provider of vision based analytical solutions, reported select preliminary results for the second quarter and six months ended June 30, 2023. Based on its preliminary unaudited estimates and information available as of the date hereof, the Company expects total revenue for the second quarter of 2023 to be between \$1.8 million and \$2.1 million. The decrease is due to certain timing factors primarily related to the booking of revenue versus costs. Final results for the quarter and six months ended June 30, 2023 will be reported in the Company's Form 10-Q, which is expected to be filed prior to the August 15, 2023 deadline.
